# Stationery

## List JUNIORS

Tarawera High School is part of the Ministry of Education Schools Donation scheme, which means that course fees are covered. Students are required to provide their own stationery and charges will be made for additional activities that are outside of the standard curriculum, such as sports and camps.

Digital Devices - Chromebooks are the preferred device, there are some school devices available for students to use while at school. We do encourage whānau to purchase their own device, this will assist your child to learn any time, any pace and any place. PB tech or Noel Leemings have regular offers.
