Koputaroa School

Nurturing Confident, Future-Focused Learners

Kia ora e te whānau

We are now half way through the last and very busy term.
Last week we celebrated an amazing **Ag Day** with our school and wider community. A huge thank you to all of our generous sponsors and donors. Our PTA have worked tirelessly over the year to put on a great event and it was so well supported by families with amazing baking, providing items for floral displays and additional supplies for the indoor projects. Thank you also to the many people who spent time looking at the displays - the students and teachers were very proud! The animal judges were EXTREMELY impressed with the standard of effort from students and their animals. They made special mention that it would be SUPER hard for the Group Finals judges!

We look forward to hearing the results from Group Finals on Monday!

Gumboot Day Fundraiser raised a wonderful $459.70

Congratulations to Dave Fraser who won the Helicopter Raffle Prize

Congratulations Adana Whakarau who won the Tiny Tiaras Prize

Congratulations Juni Lim who won the 'Wholly Shrink' prize & Corey Prouting for the load of Mulch

PROPERTY WORK

You will have noticed the machinery on the school grounds, this is exploratory work for our new well/bore. We hope this project is completed by the start of term so that we can stop drinking bottled water! We also will be having the deck and roof replaced and extended (yay) on the Kōwhai Pod - this will be transformational!

1

WATER BOTTLES

As we are still using bottled drinking water it is important your child has their OWN DRINK BOTTLE at school each day for refilling.

Welcome to Ag Day
at Koputaroa School

My favorite season is summer so I did a summer floral arrangement. some of my flowers are short and some are long. They are very colour full i am really happy with it. They are very nice
Flower Arrangement
my theme is fairy forest it has some white, red, pink, a flower with lots of colours some little popper seeds we had to bring a vase so we could put flowers and I chose to do it different lengths cause I thought it would look cool.
