WELCOME WEEK 2

- * **Yoga...** Today we have our second session of yoga with Ainslie Speedy. We are very fortunate to have this opportunity.
 - * **Interviews...** Staff discussed holding interviews in the first half of this term and decided that it would be more valuable later in the term (week 6 or 7) when students have had some time to work on their mid year goals. However if you would like to meet sooner than that please contact the office. We already have a number of interviews scheduled for this week.
 - * **Kapa Haka / Matariki Performance...** Please join us at 11.30am for our whole school performance in the Library followed by a shared lunch (very basic, just sausages and chips).
 - * **Production...** Room 1 has read through the script once last week and most children are well underway with mastering their lines. However a few have not yet practised their lines and need to do this ASAP. If you know your child is one of these please work with them at home.
- All Room 1 students have parts to learn except the camel.**
- I will sort all costumes early this week.
- * **Severe Nut Allergy** (anaphylactic shock). Just a reminder we are urging parents to restrict the peanut/hazelnut products at school please. This includes peanut butter and nutella.
 - * **Board Meeting...** tonight starting at 6.30pm. All welcome as usual.

**Have a great week.
Pam Voyce.**

FUEL FOR SCHOOLS

NZ Country School's are excited to be a part of the Fuel for Schools programme.

It's very simple. Fern customers can nominate a participating school to receive 50 cents for every 100L of bulk fuel they have delivered. Once a school reaches their \$1,000 target they can redeem free technology, sports & music packages or books. It's just that simple. The more people involved the sooner they will be rewarded!

Talk to our local Account Manager Kelly Brears for more information on the Fuel for Schools programme, fuel, tanks, health and safety or any of your bulk fuel requirements, she's happy to pop out and have a chat!
