Welcome to our final week of term 2!

- * **Science Fair...** This week our major event is the **Interschool Science Fair** at the Āria Hall. Entries will be displayed today and judging takes place tomorrow morning.

Prizegiving will take place at 10.30am on Wednesday, at the hall, all welcome to attend.

The Hall will be open for viewing after school today and Tuesday until 5.00pm, also from 8.00am on Wednesday prior to prizegiving. Contact me if you want it view outside of these times.

We have around 80 entries this year. All Room 1 students have entries and Room 2 has a whole class entry.

Many thanks to Shoppington, Te Kuiti for sponsoring our major prizes again.

- * **Tough Guy and Girl...** A huge thank-you to Miss Hurley for travelling with the group, driving the van and organising. Sounds like the children had a great time!

Please note that this is not a school event and has cost the school a significant amount this year, including the cost of the van (less a \$10 donation by travelling students). Usually we have had a number of parents prepared to take vehicles.

Next year Parents of interested students will need to organise the event entries and provide transport.

- * **Assessment Folders and Reports...** will be sent home with your children **on Friday this week**. If your child will be absent on Friday please organise for the collection of their assessments. Parent interviews early next term.
- * **Board Meeting tonight...** all welcome to attend. 6.30pm start.
- * **Lost Property...** will be displayed outside the office today and hopefully it will ALL be claimed!
- * **Family Accounts...** have been emailed. Could you please settle your account by **Friday 30th June 2022 (this FRIDAY)**. If you are unsure on what your family account owes please contact Nicola.

Enjoy the two week break everyone and we all look forward to seeing those cheery faces next term ready to start Production practices!

**Have a great week and

Aria School Hosts 2023 Orienteering 16/6/23

"Go!" shouted Mrs Alcock and I raced to my teammates to prepare a quick plan. Active Aria

We're first up on the board and should finish in less than an hour. I raced as fast as I could down the hill and I jumped over the creek and got my first peg. I zoomed around the course until I came to the hardest one yet! I roamed around that area for about 10 minutes asking everyone who went past until I finally found it! I rushed down the road until there was nothing left to get. I dashed through the paddocks and sprinted up the hills and then finally I reached the finish line. I saw my friends surprised to see me back so soon. I was the first one back from my team and it took exactly half an hour. Fortunately a spot prize and a much needed refreshing drink were waiting . I love orienteering. It's a shame I can't do it next year.

2023 Orienteering

At the Aria domain we did orienteering. My team and I, the running rockets, were one of the last people to go, so we had a lot of time left. We checked the list and it was getting closer and closer to our race. I was so nervous I had butterflies in my stomach. Mrs Voice said we had 5 minutes left. Then 2 minutes. It was time to go to the desk and collect our maps. When we got our maps we raced to our first marker. Mine was by the shearing shed. When I was on my second to last marker I was so exhausted that I was going to faint but I ran and ran until I finally clipped my last marker and ran back to the domain to hand it in. I was so happy and proud of myself. Then I had a huge drink of water and went to my SOCCER GAME!!! I was so tired after ALL THAT. I loved orienteering and I can't wait to do it again.

Āria School is excited to be a part of the Fuel for Schools programme.

It's very simple. Fern Energy (previously Northfuels) customers can nominate a participating school to receive **50 cents for every 100L** of bulk fuel they have delivered. Once a school reaches their \$1,000 target they can redeem free technology, sports packages or books. It's just that simple. The more people involved the sooner they will be rewarded!

Talk to our local Account Manager Kelly Brears for more information on the Fuel for Schools programme, fuel tanks, oils, health and safety, or any of your bulk fuel requirements, she's happy to pop out and have a chat!
