Nau mai, haere mai ki Te Wiki o te Reo Māori! (Welcome to Māori language week!)

THE IMPORTANCE OF LEARNING TE REO MĀORI

Te reo Māori is one of New Zealand's official languages and it is crucial that it is seen as a taonga (treasure) in our classrooms.

The great majority of Māori children develop their learning identities in English- medium primary classrooms. Encountering te reo Māori in their school and classroom helps Māori children feel a sense of belonging and reinforces the belief that they and their culture are important.

Māori students need to see their language and culture visible in their classroom, and preferably in an authentic way. In addition, with New Zealand's biculturalism, embracing te reo in the classroom is important for non-Māori students. It can build empathy and helps to develop well-rounded students. It's also part of schools' obligation to the Treaty of Waitangi and a requirement of meeting the Code of Professional Responsibility and Standards for the Teaching Profession from the Teaching Council.

Does that mean teachers need to be fluent te reo experts? No way! I think it is great for students to see teachers modelling the role of "learner" rather than just being seen as the "classroom expert".

At Āria School all our students start the day celebrating and learning te reo Māori in the library for a 30-minute Te Ao Māori session exploring and practising the reo and listening to traditional stories related to our area, among other things. Our tuakana-teina (Tuakana-teina is a concept from te ao Māori and refers to the relationship between an older (tuakana) person and a younger (teina) person) groupings give all students a chance to be supported to practice their reo daily. This is an amazing way to start our day and always starts and ends with a karakia (blessing) for a happy and fulfilling school day ahead.

This week, as a country, we celebrate Te Wiki o te Reo Māori and we would like to share with you some of the mahi (work) that we have been covering in our daily reo Māori sessions. Keep an eye on our school facebook page for video uploads of the tamariki doing their thing in Te Reo!

MINIBALL

Aloha all! What a start to the Miniball season.

This email is just an update and reminder message. We have 76 teams across 4 grades this season. Thank you to Te Wharekura o Maniapoto, Te Kuiti Primary, Centennial Park School and Piopio Primary for registering teams with referee's.

When the registration forms were sent out a request to all schools was to supply a few referees to help out across the nights. Unfortunately not all requests will be met and teams may need to default games. There maybe a stage where teams will need to ref their own games.

Some Reminders to share with all players, parents and coaches:

- ⇒ Please make sure you have scorebench person ready to start when your game is about to start - we are not a babysitting centre, so please monitor your kids. Any children left unsupervised maybe asked to leave.
- ⇒ Kids are not permitted into the Fitness Gym - There is no need for kids running, dribbling and playing with the balls in the foyer.
- ⇒ Appropriate footwear No gum boots in stadium! - senior teams putting numbers down by player names.
- ⇒ No jewellery! Had to tell numerous kids to take jewellery off. Coaches need to make sure before kids take court.
- ⇒ No long pants - shorts must be worn.
- ⇒ ONLY Coach/Manager and players on team bench. NO extra parents, kids, friends.

NZ Country School's are excited to be a part of the Fuel for
 Schools programme.

It's very simple. Fern customers can nominate a participating school to
 receive 50 cents for every 100L of bulk fuel they have delivered. Once
 a school reaches their \$1,000 target they can redeem free technology,
 sports & music packages or books. It's just that simple. The more people
 involved the sooner they will be rewarded!

Talk to our local Account Manager Kelly Brears for more information on the
 Fuel for Schools programme, fuel, tanks, health and safety or any of your
 bulk fuel requirements, she's happy to pop out and have a chat!
