BOARD POSITION OPEN

We currently have an open position on the Aria School Board that urgently requires filling. The role is that of Board treasurer as our current treasurer has moved into the Presiding Members Role. Some financial knowledge would be helpful but not a necessity as the accounts are all prepared by Ed Services in a manner that makes monthly checks and reporting simple. The incoming treasurer will be provided with support from the existing treasurer, Ed Services and there is professional development available also.

Joining the board is a great way to understand how your school works behind the scenes and a great introduction to governance.

If you would like to know more about the role please ph Natasha Cave on 027 278 7509 or pop along to our next board meeting, this Tuesday, 6.30 pm in the school staffroom.

BOARD NEWS

Tēnā tātou e te whanau

It seems like the school year started not all that long ago and now we are in our last week of term 3! I hope all of our school whānau have survived these winter months and all the bugs that seem to have been around this year relatively unscathed.

As the new Presiding member of the Āria school board I thought I would take the opportunity to introduce myself and update you all on what's been happening at our wonderful little kura.

My name is Natasha Cave, I farm in the Mokauiti valley with my husband Alan. We have one child, Austin, currently at Āria School and our youngest, Elliot due to start next year. I have been involved with Āria school for many years as my oldest two children, Charley, who is in her last year of college and Oskar who is now in year 10 both attending Āria for their primary years. I have also been on the school board for 7 years holding various positions up until this point. Please feel free to contact me if you have any queries about school or the board, I am always happy to talk to school families about anything. If you are interested in joining the board please get in touch or pop along to a meeting, we are always looking to welcome new members to the board. It is a great way to get a better understanding of the nuts and bolts behind a school and how they run, and also a great introduction to governance if this interests you, with professional development opportunities available.

We have recently completed our community consultation with a focus on what attributes our school families feel are important for their tamariki to acquire during their time at our school. Thank you to those who have filled out the forms, we will be discussing these at our board meeting on Tuesday and present our findings to you all shortly. Please don't limit the feedback to our consultation process, we are always looking for ways we can improve how and what we are doing.

This last term has been another busy one with school production and lots of other great activities for our children such as Kapa Haka, a visit to the Hamilton Zoo for our Junior class and some awesome fundraising days for worthy causes such as Daffodil day. Next term shapes up to be another busy term, with pet day, swimming starting up with the warmer weather, Kapa Haka and our end of year prize giving.

You will have noticed our school canteen is changing, we are now offering free school lunches on Tuesdays and Thursdays thanks to Sheryl Johnson at the Piopio Pantry, she is kindly funding these herself as we don't fit the criteria for the Ministry funded lunches in schools. If you see her around make sure you thank her! We are currently running out our canteen items as our current supplier has closed and are assessing the plan for the canteen for next term.

We will be launching a new website soon. Please keep an eye out for more information. Big thank you to Philip Watkins for his time and expertise in building this.

I would also like to take this opportunity to thank our previous Presiding Board member Bevan Brown for all his time and hard work over the years he has spent on the school board. Your dedication and years of commitment have been a huge contribution to our school.

That is all from me for now. I look forward to seeing you all around the school events next term and I hope you all have an enjoyable school holidays.

NZ Country School's are excited to be a part of the Fuel for
Schools programme.

It's very simple. Fern customers can nominate a participating school to
receive 50 cents for every 100L of bulk fuel they have delivered. Once
a school reaches their \$1,000 target they can redeem free technology,
sports & music packages or books. It's just that simple. The more people
involved the sooner they will be rewarded!

Talk to our local Account Manager Kelly Brears for more information on the
Fuel for Schools programme, fuel, tanks, health and safety or any of your
bulk fuel requirements, she's happy to pop out and have a chat!
