**FUEL FOR SCHOOLS**

NZ Country School's are excited to be a part of the Fuel for Schools programme.

It's very simple. Fern customers can nominate a participating school to receive 50 cents for every 100L of bulk fuel they have delivered. Once a school reaches their \$1,000 target they can redeem free technology, sports & music packages or books. It's just that simple. The more people involved the sooner they will be rewarded!

Talk to our local Account Manager Kelly Brears for more information on the Fuel for Schools programme, fuel, tanks, health and safety or any of your bulk fuel requirements, she's happy to pop out and have a chat!
