Notes

“Whaia te iti kahurangi, ki te tuohu koe me maunga teitei”

Pursue that which is precious and do not be deterred by anything less than a lofty mountain.

A proverb which encourages us to strive, to set goals, to persevere by setting our sights high and to not give up on them for anything.

“Tu tonu”

Stand firm

There is no Maori equivalent to the idea of standing proud as an individual. “Kaore te kumara e korero mo tona ake reka” - The kumara does not speak of its own sweetness. Instead, many whakatauki enhance the values of kotahitanga (unity), mahitahi (working together) such as the following;

“Ehara taku toa i te toa takitahi. Engari, he toa takitini.”

My strength is not the strength of one. It is the strength of many.

“Ma tini ma mano ke rapa te whai”

Many hands make light work. Unity is strength.

General Description of the School Community...

The Āria School community covers a wide area geographically and centres on the Aria Village where there is our school, a Cosmopolitan Club and a District Multi-Cultural Hall. Ethnic composition is mixed; mainly NZ European and Māori descendants with a sprinkling of American, Australian, English and other ethnicities (often on a short-term basis) as they are employed by the local dairy farms.

There is a wide range of parental employment with almost 50% being farm related. Older people retire and move away, leaving the area comprised mainly of younger to middle aged families with an average spread of income.

35% of our students travel to school daily on the MOE funded Mokauiti bus which arrives at school around 8:10am with some children leaving from home well before 7:30am each morning.

23% of our students are driven to school by the school funded mini-van or staff transport as there is no bus service available for them.

The remainder are transported privately as there is no transport service available.

The school day commences at 9am, with two morning breaks, 10.30-10.45 and 11:45-12 noon and lunch 12:45-1:15pm. Afternoon school finishes at 3pm. One staff car departs at 2.45 to meet the Piopio College buses at 3 pm. The school mini-van departs at 3.10pm and the Mokauiti bus departs around 3.25pm.

Around 23% of our students live outside of the Āria community (Piopio area). Āria is a generous and supportive community with high expectations from its school. It is also very self-reliant, which is evident from the wide range of facilities available. School and community relations are very positive with strong support for events such as sports days, pet day, cultural and musical productions etc. Parents and community members are willing to assist with transport, attending school camps and day trips, fundraising (annual two-day bike-ride), working bees and other activities as requested. Their expectations are high and these include a community newsletter on a weekly basis, regular reporting on student progress, regular consultation which includes parent curriculum meetings, and an "Open Door" policy at the school.

Most people believe that Āria is a good place to bring up children.

Strengths Identifiable in our Community are:

1. People are very proud of their school.
2. Parents have high expectations of their school, staff and their children.
3. There is a high level of community identification with the school and a reasonably high level of parent involvement in such things as school trips, parent interviews or consultation.
4. Strong whole school Te Ao Māori programme.

General Description of the School

Āria School is one of the oldest schools in the district beginning in 1908 with 11 pupils. The first building was erected in 1909 and still stands today and serves as the Āria Playcentre.

The school has three permanent classrooms with an Administration Office, Principal's Office, Staffroom, Kitchen, Resource room, Art classroom and large Library attached.

We are well equipped with digital devices, which we are constantly upgrading. All students have access to PCs, Chrome Books or i-pads within their classroom. The three classes each have an A frame teaching station, which includes a 42-inch screen.

All devices are internet capable.

We have wireless capability throughout the school.

The school has a strong I.C.T. and e-learning focus as an integral part of the teaching process.

A large playground includes concrete areas, a 12 metre shade area, a large covered outdoor learning space, a large fixed adventure play area, a fenced turf surfaced tennis/netball court, covered sandpit, solar heated and covered swimming pool with shade area and a rugby / soccer / hockey field with a fitness/obstacle trail around it. Extensive gardens and a native tree area add to a great rural school setting. Roll for starting 2025 is.... 48 students.

Staffing... Āria School has a professional and highly motivated staff who strive to give the best education possible. In 2025 the school will be staffed by...3 x full-time teachers, a 27.5 hours/week Office Manager, 40 hours/week Teacher Aide, a cleaner, lawn mowing contractor and 2 hour/week grounds person.

Cultural Perspective

The school's curriculum values the unique position of Māori in New Zealand by providing a variety of programmes and opportunities that develop an awareness of all things Māori and the Māori Language. Parents and staff work together in supporting an agreed culture of oneness within the community. Marae trips, the whole school "Te Reo me Tikanga Māori" programme all contribute to developing student understanding and awareness of the Māori language and culture. Our children participate in an annual Whikoi mo te Reo event where all children have a chance to speak publicly in te reo.

All reasonable steps will be taken to provide instruction in Tikanga Māori and te reo Māori for fulltime students and for parents who ask for it.

Our Kapahaka group focuses on festival appearances as they occur during the year. Kapahaka is part of our Arts programme and is offered to all children. The Maniapoto School's kapahaka festival is usually held in alternate years.

Consultation with our Māori community occurs regularly as all Parent/Caregiver consultation does.

Our Māori community feels strongly about not being identified as a "special" group.

We believe our learning programmes are meeting the educational needs of our Māori (50%) students. As a staff we continue to develop and refine our teaching pedagogy to support our Māori learners.

Multi-Cultural Perspective

The school's curriculum values the multi-cultural composition of its wider community by providing opportunities that develop an awareness and appreciation of non-Māori / New Zealand European cultures for all students.

We are confident that **all** students at Āria School are receiving a balanced overview of the richness of our New Zealand heritage.

How we have given effect to Te Tiriti o Waitangi

Our Commitment to Te Tiriti o Waitangi

As a school and community, we seek to honour Te Tiriti o Waitangi and its principles of Partnership, Protection and Rangatiratanga. We ensure that Te Reo Māori and Tikanga Māori are part of our way of learning and teaching in the classroom and beyond.

Our Cultural Diversity

Our goal is to develop and maintain programmes and an ethos that reflects our schools and New Zealand's cultural diversity and, in particular, the unique position of Māori as the tangata whenua. We achieve this by:

- Developing plans and policies that are sensitive to varying cultures, and incorporating relevant aspects, especially Tikanga Māori.
- Incorporating a variety of ethnic and cultural contexts in learning programmes and raising staff understanding and awareness of New Zealand's cultural diversities.
- Encouraging Māori parents and community to take part in the planning process to assist in raising Māori achievement levels.
- Developing appropriate and reasonable provisions for delivery of programmes using Te Reo and Tikanga Māori.

National Education Learning Priorities (NELPS)

The NZ Government is committed to continually building and developing a world class education. The National Education Learning Priorities (NELPS) set out the priorities and objectives of achieving change across our system, reflective of a culturally rich and diverse Aotearoa. At the heart of the NELPS, sit three core components: wellbeing, equity and inclusion.

The NELPS outline 5 Key Objectives to achieve change across our system, which embody wellbeing, equity and inclusion:

Learners at the Centre	Barrier Free Access	Quality Teaching and Leadership	Future of Learning and Work	World class inclusive public education
<p>Learners with their whānau are at the centre of education.</p> <p>1. Ensure places of learning are safe, inclusive and free from racism, discrimination and bullying.</p> <p>2. Have high aspirations for every learner/ākonga, and support these by partnering with their whānau and communities to design and deliver education that responds to their needs, and sustains their identities, languages and cultures.</p>	<p>Great education opportunities and outcomes are within reach for every learner.</p> <p>3. Reduce barriers to education for all. Including for Māori and Pacific learners disabled learners and those with learning support needs.</p> <p>4. Ensure every learner gains sound foundation skills including language, literacy and numeracy.</p>	<p>Quality teaching and leadership make the difference for learners and their whānau.</p> <p>5. Meaningfully incorporate te reo Māori and tikanga Māori into the everyday life of the place of learning.</p> <p>6. Develop staff to strengthen teaching, leadership and learner support capability across the education workforce.</p>	<p>Learning is relevant to the lives of New Zealanders today and throughout their lives.</p> <p>7. Collaborate with industries and employers to ensure learners have the skills, knowledge and pathways to succeed in work.</p>	<p>New Zealand education is trusted and sustainable.</p> <p>8. Enhance the contribution of research and mātaurangi Māori in addressing global and local challenges.</p>

At our kura, we exemplify and value these five objectives, which are implicit throughout our Vision, Values, Strategic Goals and Annual Plans.

Our Kahui Ako Goals also align to these five objectives as they do to our school's goals.

I look after my property and the property of others (I collect my own clothing. I return things I have borrowed).

I think about the possessions I bring to school and check that they are safe and appropriate (Special toys etc).

I can move around the school safely (e.g. not running around corners or down the hallway or past the office).

I can line up without pushing or shoving. I give people their own space.

I can sit on my seat (four on the floor).

I am an ĀRIA student
