## Principal's Message

Kia ora everyone,

We've had a very adventurous fortnight here at school. Our students had an awesome trip out to Barb and Greg's farm where they got to see docking up close, learn about farm safety, and enjoy a real day on the farm. They did our school proud with their fantastic attitudes.

With the weather heating up, please make sure your child has a bucket hat and sun-smart clothing at school. We have sunscreen available, but putting some on before they arrive really helps. Hay fever is also in full swing around the grounds, so let us know if your child needs antihistamines or any other medication at this time of year.

Over the past two weeks, we've had our bike and wheels activities running at school. The skill level has been impressive, and everyone has been involved. We are heading out on another trip this week to Henley Lake to continue practising our skills outside the school gates.

We've also sent home the camp packs for our upcoming Glenburn camp. Please return all the green forms when you're able. We're really looking forward to camp - feel free to come and see us if you have any questions.

We're also hoping to do school photos next Friday, so fingers crossed for good weather!

Take care and have a great week,  
Megan Roberts

# Mauriceville School Café Mauriceville Fair

**Sunday 7 December**

Only three weeks to go until the Mauriceville Fair!  
If you are able to help our school fundraiser by donating any of the following items that would be amazing:

**Cream - Jam - Eggs - Cheese - Milk**

Please let the school know, 027 239 3743, we are happy to collect

**A very big thank you to Premier Beehive who have provided us with bacon for our bacon and egg pies and ham for our sandwiches and rolls - fantastic!**

## School Camp at Glenburn

Our Glenburn camp is coming up quickly, and we're excited to head off on the 3rd of December - only 16 days to go! Please make sure all forms are returned, including medical information, and that you've gone through the gear checklist so your child is fully prepared. We're really looking forward to an amazing few days away together.

# Wairarapa Schools Photography Awards Night

Last month our students took photos around the school, and we entered them into the Wairarapa Schools Photography Competition. The awards night is coming up soon, and all photos will be displayed for whānau to view, with winners announced on the night.

Please see the invitation below for more details.

## Bus Driver Appreciation Week

🚌 There are many advantages of a small rural school and one of them is the close connections we get to build. In this case, with our wonderful bus driver Viv.

🌟 Today we showed Viv how much we appreciate all the end of term treats, decorating the bus, coming on school trips with us and helping us become more responsible.

🚌 We hosted a High Tea for Viv with all the trimmings

🚌 THANK YOU 🌟 VIV
