Kia ora e te whānau,

As we approach the end of the first term for 2025, I want to convey a heartfelt **THANK YOU** to the CTMS community for all your support and well wishes. As you know, this has been my first term as principal of CTMS and what a ride it has been! From community events such as a school picnic and Takeaway Night to Goal Setting conferences, sports tournaments, EOTC and Camp - it has been a fun-filled term.

A friendly reminder that the last day of Term One is on Thursday 10 April at the usual time of 3:00pm. On Friday, the staff will be attending a teacher workshop looking at the refreshed maths curriculum.

We have uploaded the [2025 CTMS Annual Implementation Plan](#) to the school website. Annual implementation plans are a great tool to help our school make steady progress toward the goals outlined in our strategic plan. They break down the work into smaller, manageable steps that can be completed within a year. Please have a look when you get a spare moment!

Please enjoy a safe and relaxing holiday break with your precious tamariki. Have a look at page 3 of this pānui for some ideas on school holiday activities. We look forward to seeing everyone back at school on Monday 28 April.
