Kia ora e te whānau,

Week Two has been another busy week! Students are settling into their learning well and have established classroom routines. Staff have noticed many moments of manaakitanga (kindness) on the playground, with everyone taking care of each other and treating others with respect.

There is an important document that needs to be completed this week. Please read the Digital Citizenship Agreement and Google permission form below and discuss this with your child.

We hope to see you at the CTMS Community Takeaway Night on Wednesday, 19th February. Come and meet your child's teacher at 4:30pm, followed by a Takeaway Night (bring your own takeaway or pre-order one of the Student Council's pizzas). It is a great opportunity to connect with other CTMS whānau.

Kia pai te mutunga wiki - have a lovely weekend!

Goal Setting Conferences 3 & 4 March

We will be holding Goal Setting Conferences on 3 and 4 March. Parents are invited to fill out [this booking form](#) to set a time to meet with your child and your child's teacher to discuss their learning goals for the year. This is a great opportunity to discuss your child's learning so far and set some SMART (Specific, Measurable, Achievable, Relevant and Time bound) goals. [Book now!](#)

PLEASE SUPPORT THE STUDENT COUNCIL ...

Clifton Terrace Community Pizza Night

Wednesday 19th of February

We are having a community takeaway night and we want YOU

We will be selling pizzas at the Community Takeaway Night to raise money for the Student Council.

1. Please pre-order and pay for your pizza on Kindo (kindo.co.nz)
2. Pick up your pizza from the stall on the night
3. Enjoy your pizza... Easy-pizza-y!

If you can't do this on Kindo, please see Claire in the office.

**\$11 for a standard plate sized pizza

My Donation

These are some examples of activities that are covered by your donation.

We thank and appreciate all our parents who have regularly made annual donations to support CTMS. Your donation not only allows us to budget for additional classroom teaching resources, but also allows for learning opportunities (e.g. school trips, education outside the classroom, Spanish and Kapa Haka), Chromebooks and the playground redevelopment.
