Kia ora e te whānau,

Thank you for attending the Goal Setting Conferences last week. The home-school partnership is crucial to the success of your child, and we value your feedback and contribution.

Next week we welcome teacher trainees, Tripti and Pauline, to CTMS. They will be spending the week in different homegroups, observing classroom teaching and learning programmes and practices.

We invite you to provide feedback on our school policies (see next page). What is the purpose of school policies? School policies:

- Create a safe and productive environment for pupils and staff.
- Communicate your schools' core values and principles clearly to staff, parents, and other agencies.
- Ensure the smooth running of the school – define the school's regulations and procedures.
- Ensure a consistent approach in key areas of school life, for example, behaviour.

Have a lovely weekend ... Happy International Women's Day!

# CTMS SCHOOL POLICIES AND PROCEDURES

Our school has been working with SchoolDocs to create a website for our policies and procedures. We are excited to announce that the site is now live and available to our school community.

SchoolDocs updates, modifies, or creates policies in response to changes in legislation or Ministry guidelines. These policies have been well researched and align with the National Education and Learning Priorities. The policies and procedures are tailored to our school, and the school supplies specific information such as our charter, and procedures for behaviour management, reporting to parents, etc.

Our school board has the opportunity to view changes/additions and comment on them before they are implemented. We will advise you when policies are up for review and how you can take part in the review.

We invite you to visit the site at

<https://ctms.schooldocs.co.nz>

Username - **ctms**

Password - **CliftonT**

The policies that need to be reviewed this term are:

- Health, Safety, and Welfare
- Safety Management System
- Risk Management
- Worker Engagement, Participation, and Representation
- Healthcare
- Recording and Reporting Accidents, Injury, and Illness
