Kia ora e te whānau,

Thank you for supporting the 'Rock your Socks' cause! It was amazing to see so many colourful, crazy and creative socks. Thank you for raising an awareness of Down Syndrome and for spreading the message of acceptance and hope.

Next week is our Education Outside the Classroom (EOTC) programme. Kahikatea (Years 6-8) will be going on Camp to El Rancho, Waikanae. Kauri and Kōwhai (Years 1-5) have trips planned to the Wellington Zoo, National Library, and Parliament. Please read all the communication from your homegroup teachers to ensure that you know what is happening each day. Also please ensure that your child is dressed appropriately for the weather and is well rested for a fun-filled week! More information about each trip will be coming home on Monday.

Have a lovely weekend!

School Attendance

49% of our recorded absences last term were for medical reasons. Knowing if your child is well enough to go to school can be tricky. Going to school every day is important for all school aged tamariki (children). It helps build their confidence and social skills, and to achieve their education and life ambitions.

Te Whatu Ora / Health New Zealand provide these guidelines to help you decide when it is okay to send your child to school, when you should keep your child at home and when you should contact a health professional for advice.

33% of absences were for holidays taken during term time. Below is a really helpful visual showing the impact these absences have on your child's learning.

If you have any attendance queries and issues, please contact us so we can work together.
