STRIVE TO ACHIEVE YOUR BEST Me he Manawa titi

VALUES: Respect—Whakaute Responsibility—Kawenga

Kia ora koutou katoa, Greetings to you all

A special welcome back to Stevie Norris, who is doing some more teacher aide sessions with us as part of her Teacher Aide training. Many thanks Stevie for choosing to work with us. We appreciate your enthusiasm and input into our children's programme.

The children are competing in the Milton Area School Poetry Recital Competition to be held at the end of September. They are currently learning their poems off by heart and are practicing delivering them with the appropriate fluency, pace and expression. We are hoping to have a rehearsal early in September.

The Otago Daily Times recently did an article our Nature Based Programme. For those of you who missed the article Jocelyn and Jeannine have kindly put a link to it on the Taieri Mouth Information Group Facebook page – many thanks. We are particularly proud of our Nature Based Learning Programme and the very positive benefits experienced by our visiting students and our Taieri Beach School students.

Keep warm and dry – spring is just around the corner!

Ngā mihi nui

DATES TO REMEMBER

End of Term 3: Friday 27 September

Start of Term 4: Mon 14 October

Taieri Beach School, 208 Moturata Road, RD 1 Brighton, Taieri Mouth
Ph: 03 481 7890 Email: office@taieribeach.school.nz

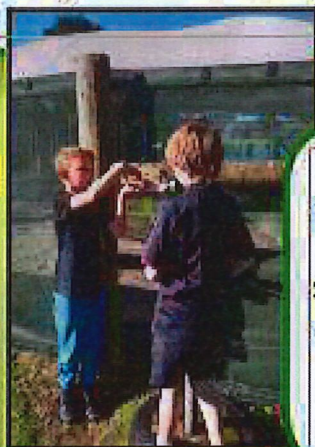

TAIERI BEACH SCHOOL

NATURE BASED LEARNING PROGRAMME

Feedback from visiting schools

"The nature programme has always been a highlight, fostering a sense of wonder and deepening the connection with the great outdoors. It's the kind of hands-on learning that ignites curiosity and leaves lasting impressions and our students are thrilled to be part of it once again"

(Principal)

"They are brimming with enthusiasm as they anticipate their return to Taieri Beach School for the nature programme ... they're raring to dive back into the enriching experiences that await them." (Principal)

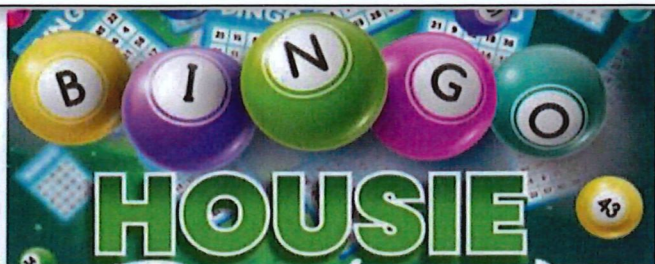

"There has been a change in interest in learning. He is sharing more knowledge about trees, insects, birds (nature) with family. Activities are carried on at home e.g. string art at school, built a guitar at home. He is searching for more information – says can we look this up on google, in books. He wasn't interested in doing this before". (Parent)

"Has really enjoyed taking part in the programme and is keen on being involved again next term – would love to continue" (Teacher)
