STRIVE TO ACHIEVE YOUR BEST Me he Manawa titi Respect - Whakaute Responsibility - Kawenga

Kia ora koutou katoa
Greetings to you all

We have regretfully accepted Lisa O'Mahony's resignation as Principal Release Teacher at Taieri Beach School. Lisa is currently on maternity leave this year after the birth of her son, Fionn, in December last year.

We have found Lisa to be a very enthusiastic and motivated member of our school providing very interesting, high quality programmes for our Taieri Beach School students. She has a strong passion for Structured Literacy and our school has benefitted very much from her experiences and knowledge in this area. Lisa and her family are relocating to Wanaka and we all wish Lisa, James, Talia and Fionn the best in their new adventures in Wanaka.

Daylight saving starts on 29th September which will give us all the opportunity to have evening trips to the beach and after work BBQs. Hopefully the weather will improve so we can make the most of the benefits of daylight saving.

POPPY SEEDS

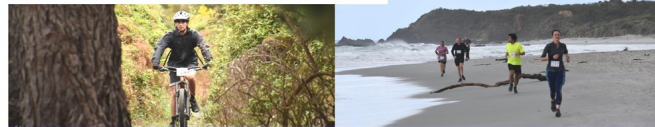

Students and staff love the onset of Spring: lambs, blossom, daffodils and new planting. We are pleased to offer our seedlings to the community beginning with red poppy plants. The first batch of seedlings were put out last week with more to come. We hope to follow with swan plants to support the Monarch Butterflies.
