Kia ora koutou katoa ,
Greetings to you all

Welcome to Term 2. It was great to see the article in 3rd May Genesis about the Bantam Chicks the children reared from eggs in the incubator through to healthy, thriving young chicks. A fabulous hands-on learning experience for our children.

The Board recently met with Jocelyn Lindner (Roading Asset Management Officer for the Clutha District Council) and Gaynor Finch (Clutha District Councillor for the Bruce Ward) to discuss Safe Speeds around Schools. Like all schools in the district, Taieri Beach School has the opportunity to reduce the risk associated with speed around our school. A reduction in vehicle speed from 50Km/h to 30km/h, translates to 90% chance of surviving the crash for bikers and pedestrians. This could involve the introduction of 30km/h speed zone near the school, flashing speed signs, a speed bump near the boundary of the school, and a pedestrian crossing. Further information will be given at a public consultation meeting which will be held in September.

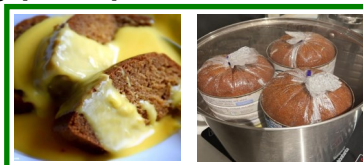

Please keep warm and healthy. There are many bugs and viruses about including COVID so please take care.
