Kia ora koutou katoa ,
Greetings to you all

We would like to welcome Blair
Allen to our staff this term. Blair
is taking Chrissie's place while
she is exploring Alaska for the
term. He has been doing some
fabulous nature based work with
the children (see photo over the page), and the children
are enjoying working with him.

The children regularly visit Tokoiti School to participate
in the South Otago Sports Activator programme. Paul
Skipper takes them for sports and physical education
skills. This week, the children joined the other schools
in the Milton area to compete in the annual Milton
Schools Cross Country competition. We are very proud
of the way our children have been practising and always
giving their very best.

It looks like winter is not quite over yet with snow
forecast later this week. Take care on the roads which
can be quite icy these winter mornings especially near
the Taieri Mouth bridge.

Keep warm and healthy.
