Kia ora koutou katoa,
Greetings to you all

Special congratulations to Lisa who is expecting a baby in January. Lisa will be teaching next term at Taieri Beach School, but will be on maternity leave for 2024.

A special Taieri Beach School thank you to Blair Allen who has been relieving this term for Chrissie while she is away on her Alaskan adventures. The children have very much enjoyed all the hands on activities he has done with them, in particular the wood working sessions.

We would also like to thank Stevie Norris for her work with us over the last two terms. Stevie is enrolled in the New Zealand Certificate in Education Support and Care through the Southern Institute of Technology in order to achieve her goal of becoming a Teacher Aide. A requirement of this certificate is the completion of two terms of volunteer work and we are very fortunate that Stevie chose to do these hours at Taieri Beach School. She has been a great addition to our staff and the children have enjoyed all the creative activities she has done with them.

A warm welcome back to Chrissie who has been over in Alaska for this term. We look forward to hearing all about your adventures, especially those involving salmon, black bears and moose!

Keep warm and healthy.

TRAFFIC DISRUPTIONS: Traffic management procedures organised by Downer will be in place. This will cause some slowing and possible disruption of traffic between 10 am and 3 pm throughout the area.

WE NEED MORE MARSHALLS: If you don't want to be a competitor but want to enjoy the camaraderie of working at the event – then consider volunteering as a marshall. It's a great chance to meet your neighbours and contribute to the safe running of the event. **Contact Peter for more information (027 331 3239).**

This annual event is a major community fundraiser and takes place due the generosity of our sponsors, landowners and the little army of volunteers who work hard to make the event safe and successful.
