IMPORTANT NOTICE

Kia ora koutou, welcome to our first newsletter for 2025!!!

Our students and families have had a fantastic start to the year.

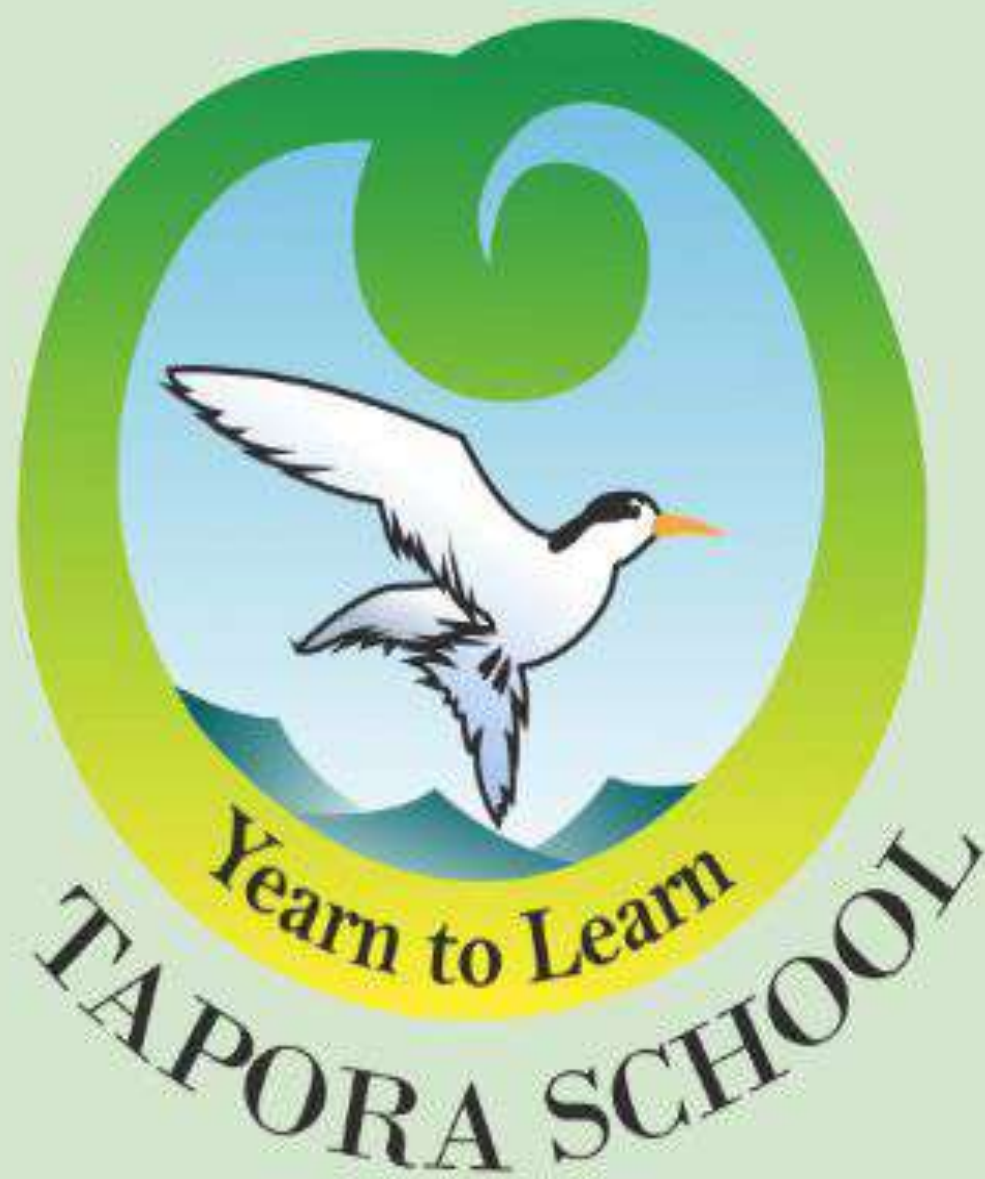

Our Tamariki, along with the support of our Chair of the Board, Simon, performed the waiata to celebrate the 21st Anniversary of the Tapora Land and Coast Care Group as well as the opening of the Nursery. This was an honour and a spectacular experience for our school; thank you.

A lot of families joined in the fun on Tapora Family Day, which was fundraising for the Auckland Rescue Helicopter Trust. In all, the community raised \$3382.20. What an amazing effort for a small community! Well done, team!!

Also, well done to all the adults and children that had a laugh and played all the games; we even got parents and a principal down the waterslide too!!!

Our students have been back into full swing, creating art to display on the walls, creating a space to call their own. Well done; super proud of you all.

Important Announcements

Tapora School

Enrol now for 2025

Tapora School is a small rural school on the edge of the beautiful Kaipara Coast. Nestled between farming and productive business, is a collaborative, supportive school ready for new students to join our fantastic bunch. We have a great bus system that allows students to join us all the way from Wellsford and the surrounding areas, creating less stress for parents in our unzoned school.

The New Principal and staff are in full swing to develop an innovative and progressive learning environment for our Tamariki.

If you are interested in a change of learning for your Tamariki, Please contact Principal@tapora.school.nz

We look forward to hearing from you!!
