Week 4 Term 1 2025

Kia ora koutou, welcome to our Tapora School newsletter.

Over the last couple of weeks, we have slowly been tidying up the school grounds and creating an exciting space for our tamariki to call their own.

Our Tamariki have been working to identify what they would like to choose for the community service component of the William Pike Challenge for 2025 as well as their new skills. It's very exciting to see the students so pumped and ready to explore the worlds around them.

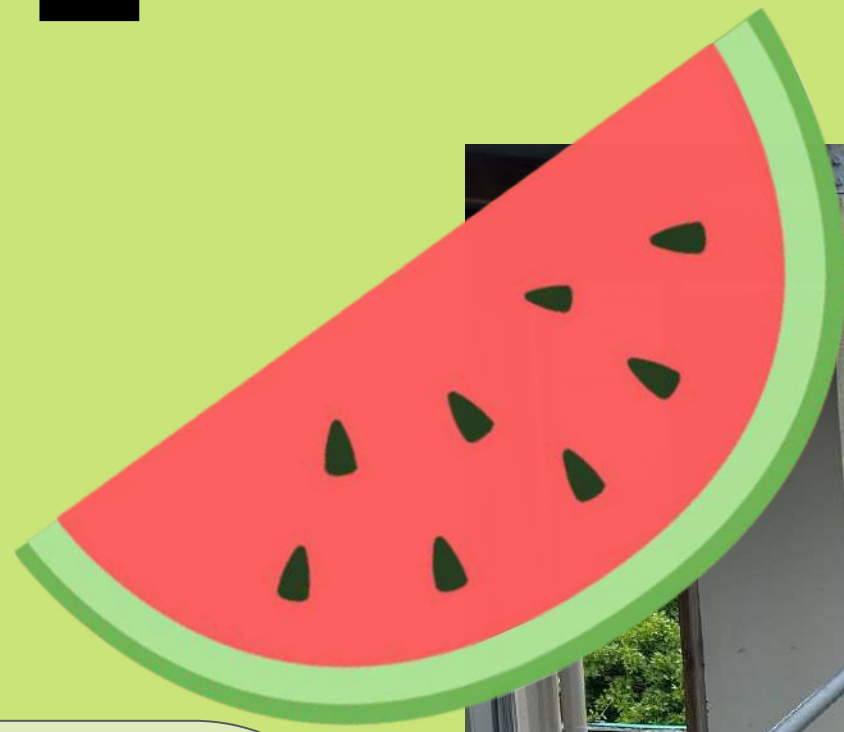

Very shortly, we will be starting our fundraising. This will go towards our Year 7-8 Tamariki being able to attend the fantastic camp in Wellington in May of this year; watch this space.

The students are loving the ability to scooter and skate around the school, using the paths and ramps to create a variety of tricks and turns, Thank you to Harper, Candice, and Katie, who donated three scooters to add to our collection and excitement. We appreciate this so much.

Important Announcements

Tapora School

Enrol now for 2025

Tapora School is a small rural school on the edge of the beautiful Kaipara Coast. Nestled between farming and productive business, is a collaborative, supportive school ready for new students to join our fantastic bunch. We have a great bus system that allows students to join us all the way from Wellsford and the surrounding areas, creating less stress for parents in our unzoned school.

The New Principal and staff are in full swing to develop an innovative and progressive learning environment for our Tamariki.

If you are interested in a change of learning for your Tamariki, Please contact Principal@tapora-school.nz

We look forward to hearing from you!!
