- 5th April Water day and Colour Run (Tapora School)
 - 10th April 12pm-onwards Celebration of Michelle Carmichaels time at Tapora School
- 11th April End of Term 1 2025

Week 8 Term 1 2025

Kia ora koutou, welcome to our Tapora School newsletter.

Mihi Aroha, Tapora School Community.

What a fantastic couple of weeks we have had!

The school has been getting a bit of love through the gardens and surrounding areas, which is starting to take shape so well. Thank you to Simon and George for the hard work with the diggers and tractors shaping up the place.

The students have been preparing for some exciting trips. We visited our local stream yesterday and looked at the connections to our local awa through Birds Beach. We were so lucky to have kai supplied by Ben and the crew from Fonterra. Pretty lucky kids. On Monday we are blasting off to Goat Island and Mathesons Bay to investigate the Moana and all that lives within it; watch this space.

In order to do things like trips, camps, and upgrading the school equipment, we need to fundraise, so this term we have been given the opportunity to fundraise from companies and raffles to sell products and services. We encourage companies to approach the school board if they have fundraising ideas; it's always nice to be approached with ideas; we love supporting locals.

On the 10th of April will be Ms. Michelle Carmichael's last day; we will celebrate this with an assembly and Kai. Please come along, bring a plate, and celebrate as she starts her next journey. This will start at 12pm and continue on in the school hall and courtyard area.

**IMPORTANT
NOTICE**

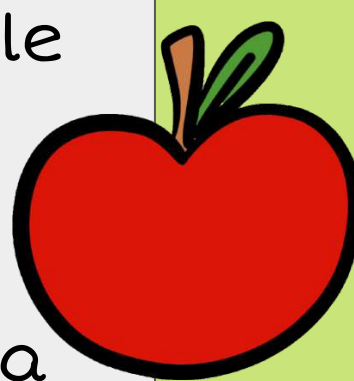

Our Learning !!!

Garden to Table Day

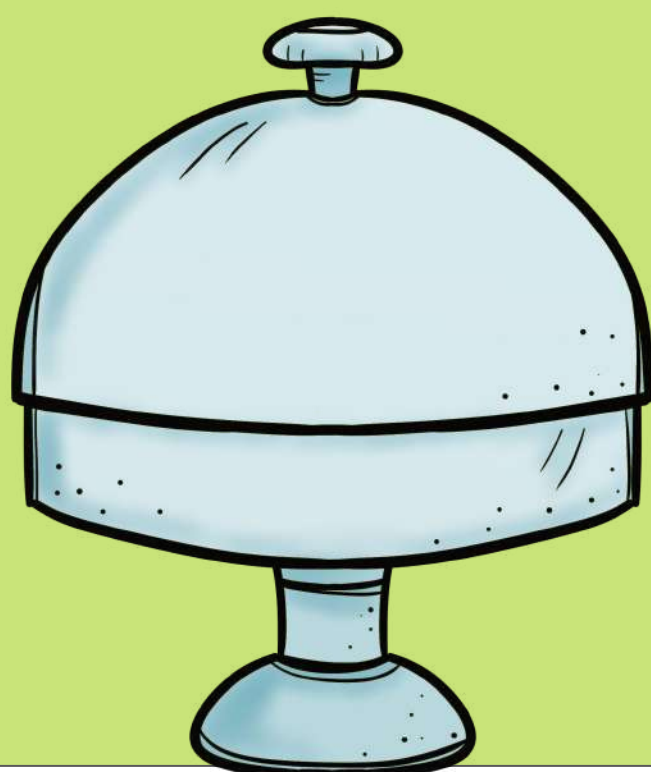

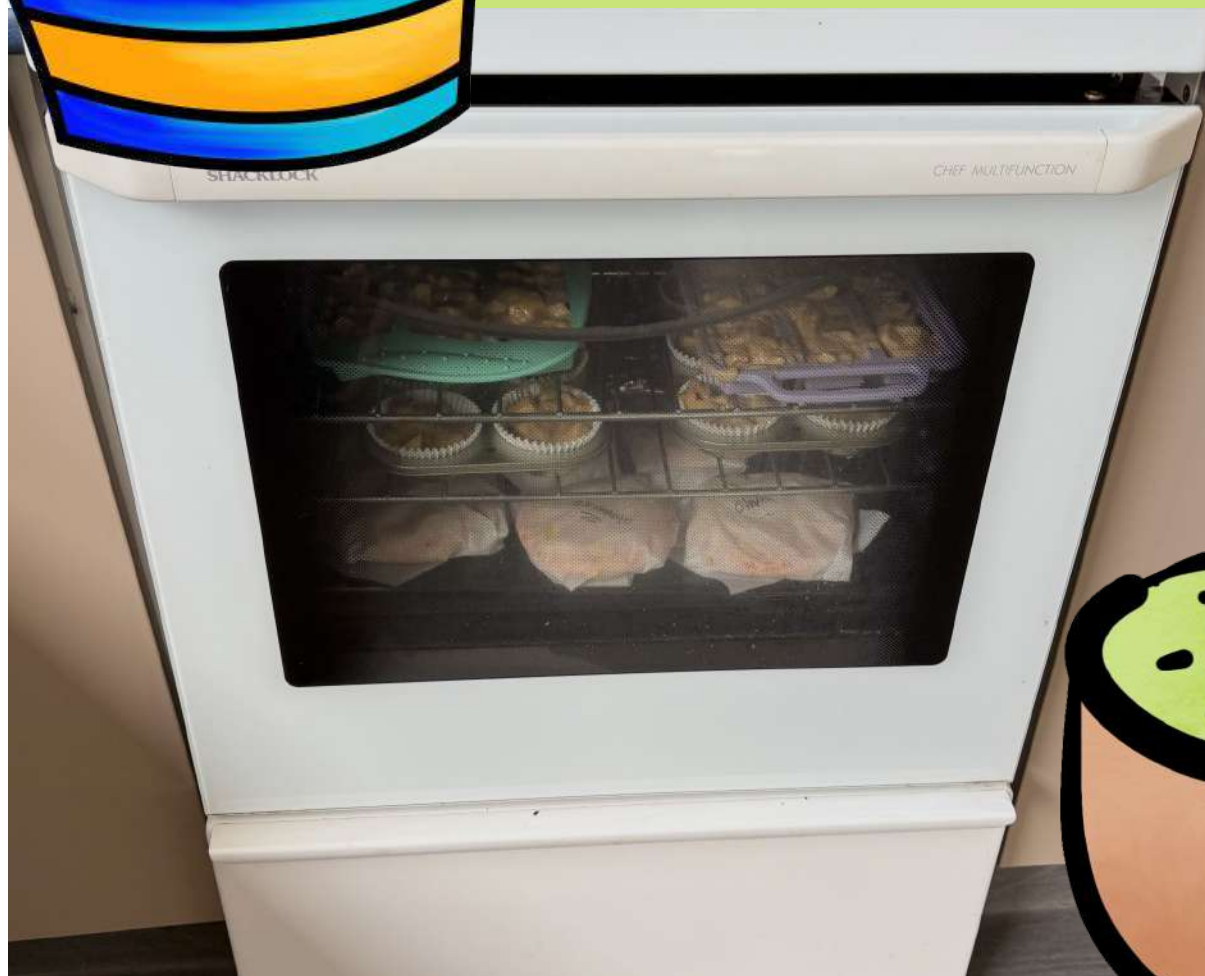

This week in our Garden to Table day, we weeded and tidied our main veggie patch, replanted the trees and created a yummy batch of apple and feijoa muffins

Learning how to;
care and maintain a healthy garden.
Creating healthy environments for our fruit trees and natives.
Preparing and baking yummy treats using seasonal produce from our school community.

Thank you to Terry from the Wellsford RSA for donation apples.
Thank you to Ms Thompson for the feijoas at the school house...

Our Learning !!!

Stream Investigation

On Thursday we investigated our local waterways; We started at Birds Beach, working through the Metre Squared programme.

Then we visited the Robinsons farm, where we enjoyed a yummy lunch. Thank you to Fonterra and the Robinsons for the fantastic lunch and spot for lunch.

After lunch we travelled down to the freshwater stream to test and identify the condition and creatures of the freshwater stream.

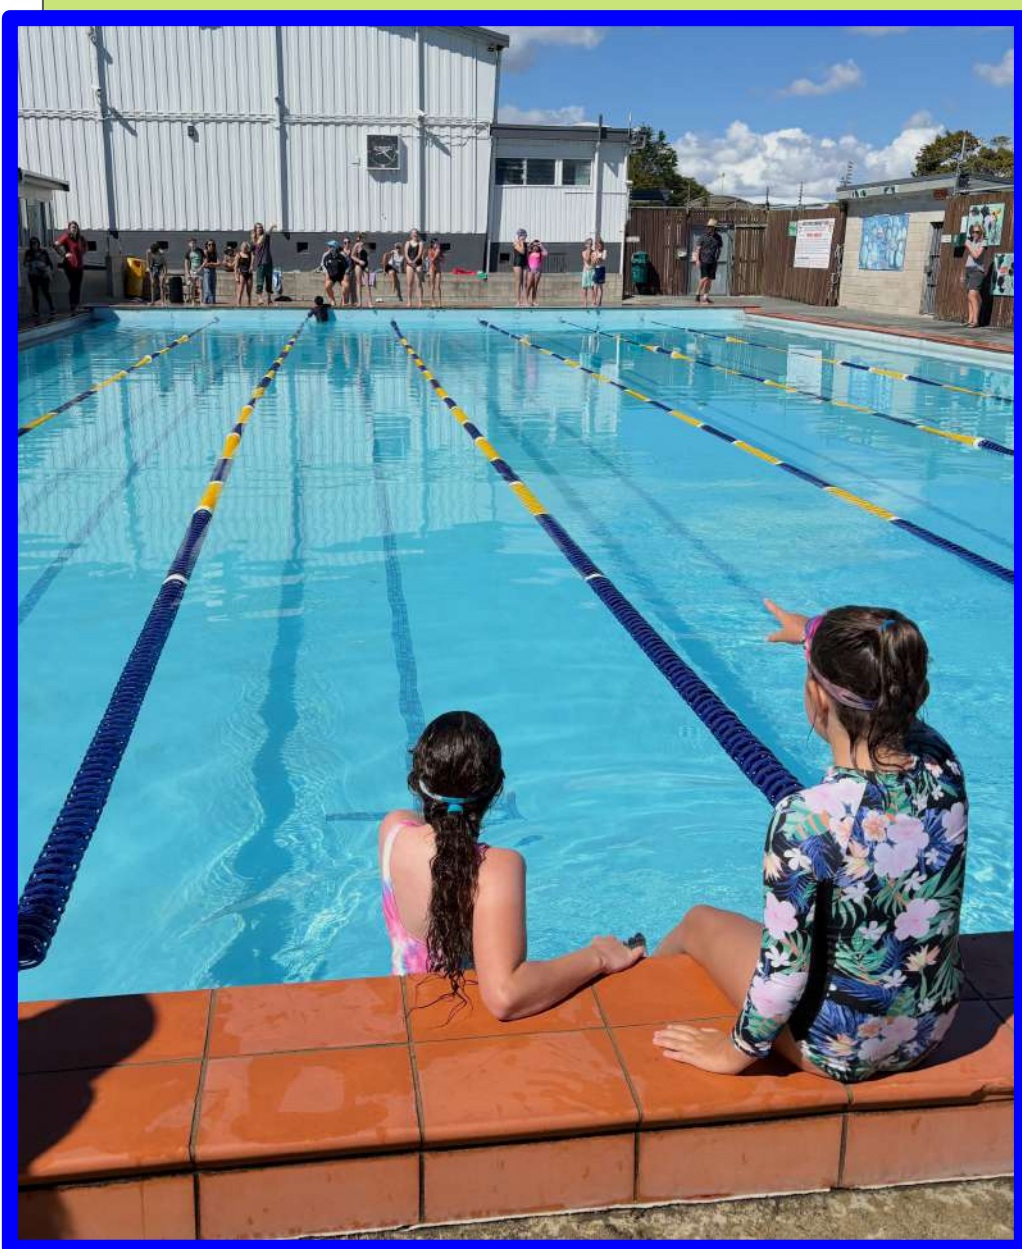

So much fun and a great day.

Thank you to the Robinsons, Fonterra, Sophie and the EMR team, and all the parent helpers.
