Kia ora Parents, Caregivers, and friends of the school.

Term three has started and if I'm honest I've been thrown by the weather. We've been out running and playing summer games. Yesterday it was 22C at school for a while and today feels much the same.

Coming up this term we have as usual some out of school events with other schools, and schools visiting us. We have the return matches with St Jo's School Fairlie and our Winter Day. I am too scared to call it a SKI DAY as right now as there is no snow on most of the fields. At this time Roundhill only has the intermediate slope and part of the T-Bar open. So as a staff we have thought of this as our best option for the ski season.

We will not cancel the ski day Monday 7th August unless we have to. We'll let you know if this happens because of the lack of snow. If the conditions are right it is okay for you to take students skiing, all you have to do is let us know at school. No you can't take the week off skiing.

We do not want our students to miss out on skiing. I see this as maybe the only way this year that it will happen. Of course next week it may snow for the week and in which case disregard the above.

We have noticed that some of the uniforms are not named. This makes it harder for us to track down the owner of the lost and forgotten items of clothing. We have a waterproof maker here at school if you need one. As for socks, I will take a photo every couple of weeks. Put it on the parents page and you can let us know which are yours.

This term we are looking at Geometry in Mathematics as well as basic facts.

Reading will be around reading to answer questions and producing a summary of the important information in the texts.

Writing is around creating better plans that help order stories and make them more detailed. Sports this term are Football and Ripper Rugby, we won't forget Hockey. There is still the rematch with St Jo's to think about.

Thank you for all the support you have given fundraising over the last two terms. Leanne has been incredible with the amount of work she has put in as well as the other members of the Friends of Cannington.

Ciabatta is already up and away this week and the place smells amazing after 2pm.

I think the tickets have gone on sale for The Cave Dance and Auction. \$40 per ticket. Saturday 12th August contact Leanne at 027 325 6631. There have already been 35 tickets sold, with 200 being the target. Look out for the fliers.

At the end of last term, there was a lot of sickness and that included staff. We postponed the final assembly till next Wednesday. So we will be holding a shared lunch from 12:30 followed by assembly and then a game of Hockey. This time I am not hurting myself. Please come on down for the assembly and lunch.

EVERYONE WELCOME

FREE EVENT

AT CLAREMONT TENNIS CLUB
& PARTICIPATING CLUBS NATIONWIDE

10 SEPT 10AM-4PM
