Ice Skating

I have to admit that I'm a little excited about the Ice-Skating trip on Friday. As I get older the fear seems to build around hitting the ice. As per note we will be meeting at Tekapo Springs 10am. I have just been informed that Mrs H will be skating so I am now forced to take to the ice, if only to save face. Our students are looking forward to catching up with their friends from Albury out on the ice. We will be having lunch over at Tekapo School just after 12 before returning for the swim.

Hockey Trip

This coming Wednesday 28 June we are hoping weather permitting to spend the day playing St Jo's Fairlie at Hockey, Football, and then Ripper Bullrush. If you are available to come along you are most welcome. We will be leaving here at 9am and then be returning at 2:30 in time for the bus. St Jo's will be supplying some food and we will take some as well. St Jo's now have the most amazing synthetic turf and have invited us to compete on it.

End of Term

On the last Friday of the term we are going to have our usual shared lunch. We hope that you are available to come in for this and share lunch with us. After lunch is the assembly which will be followed with a parents vs students hockey match and a game of Disc Golf (throwing frisbees at targets).

Reports

We have almost finished all the Mid-Year Reports and these will be sent home next Thursday. We are available to meet with you for interviews on the Friday or you can arrange a time to see us next term. We enjoy holding interviews with you as a whanau and look forward to arranging a time with you. Please call us to arrange a time.

Sport at School

This term Asher has really pushed team sport for us. We are seeing huge improvement in skills in hockey and rugby. The students that are playing Hockey on Mondays and Tuesdays have been helping us at school. They teach us their favourite drills and encourage others learn the new skills. It is superb when they come in on Wednesday morning telling us how well they have played in the Tuesday night game.

Headlice

Headlice is still an ongoing issue please make regular checks, thank you for taking the extra precautions around headlice. If you are having trouble getting rid of them in your house, then please let us know at school. We have a lot of support that we can give you. Please continue to ensure that all long hair is tied up.

Flu and Covid

As you will have noticed there is a lot of COVID around as well as quite a nasty flu. As usual, if you have COVID you are out for seven days from the next day. So, if you caught it on a Tuesday, Wednesday is day one and you can return the following Wednesday. Thank you for keeping your children home if they are sick and we do understand how hard this can be at times. Our school continues to be your local supplier of COVID tests and masks. Please just contact the office and we will get what you need to your door.
