Lyall Bay School Out of Zone Ballot

The board invites applications from 'out of zone' parents who wish to enrol their child/children at Lyall Bay School.

Enrolment at the school is governed by an enrolment scheme, details of which are available from the school office.

Please phone or visit the school office or website for details of enrolment applications. The enrolment form can be downloaded from the website, or send an email to principal@lyallbay.school.nz.

The deadline for receipt of applications for out of zone places is Friday 25th October 2024 at 5pm.

The board has determined that 20 places are likely to be available for out of zone students next year. The exact number of places will depend on the number of applications received from students who live within the school's home zone.

Applications from out of zone students will be processed in the following order of priority:

- First priority must be given to any applicant who is accepted for enrolment in a special programme run by the school:
- Second priority must be given to any applicant who is the sibling of a current student of the school:
- Third priority must be given to any student who is the sibling of a former student of the school:
- Fourth priority must be given to any applicant who is a child of a former student of the school:
- Fifth priority must be given to any applicant who is either a child of an employee of the board of the school or a child of a member of the board of the school:
- Sixth priority must be given to all other applicants.

If the number of out of zone applications exceeds the number of places available, students will be selected by ballot. If a ballot is required, it will be held on Friday 25th October 2024. Parents will be informed of the outcome of the ballot within three school days of the ballot being held.
