

Vision - To Nurture the Mana of Our Tamariki

W.A.K.A Values - Whanaungatanga, Aroha, Kaitiakitanga, Akoranga

Randwick School has provided education for nearly 100 years on its current site in Moera, nestled beside the Hutt River. At Randwick School we are committed to providing relevant and engaging learning programmes that build on our children's strengths. We encourage children to enquire and investigate, and aim to support their learning with an inquiry learning approach. Children are encouraged to develop student agency and self-management skills that contribute to a can-do attitude and love of learning. Randwick School children are caring, smart, kind, inquisitive and talented. We celebrate and value their potential and are committed to doing everything we can to ensure that it flourishes. Our W.A.K.A values overarches our learning each term, helping us embed who we are as a school.

Te Tuakiritanga

Identity, language and culture matter. We will support the identity, language, and culture of Māori learners and their whānau to strengthen their sense of belonging, engagement, and achievement as Māori, so that Māori learners can actively participate in te ao Māori, Aotearoa, and the wider world. As a school with a significant majority of Māori, we recognise that success for Māori and Pacifica is success for all.
