Parents and Caregivers of Glenview School
Tēnā koutou, Talofa lava, Kia orana, Talofa ni, Hello, Salaam Alaikum

Kia Ora e te Whānau

Thank you to our whānau who attended Whānau Conferences on Tuesday. It was great for teachers to meet with parents/caregivers to discuss goal settings for the year. If you were not able to make a time, you can request to meet with your child's teacher at a time that will suit. Please let our office know.

Thank you Tania (Board Chair)

We are sad to say farewell to Tania, our amazing board chair. A huge thank you, Tania, for all your hard work and dedication to Glenview School. Your commitment to always putting the school's best interests first has been truly appreciated. We wish you all the best in your future endeavours!

With that, we'd like to welcome our new **acting board chair**, Josiah Foua, who will step into the role until our BOT elections in September. Josiah and his family have been a part of Glenview School for many years, and he brings a deep passion for our school community. We know Glenview is in great hands!

Glenview Fun Sports Day

We had an amazing Sports Activities Afternoon with our tamariki and the wonderful parents and caregivers who joined us! It was fantastic to see everyone dressed up in their house colours, cheering loudly with their house chants, and getting stuck into all the fun activities. A huge thank you to our teachers for organizing a fun afternoon and our parents and caregivers for coming along and making the day even more special. The kids had an absolute blast—they're still talking about it! 🎉🏆👏 Congratulations to Nature House for winning overall!

Photos continued PTO

Glenview School Nurse

Whaea Irasa is our school nurse and is here to support our tamariki's health and well-being. If you have any concerns about your child's health or have any questions, you're welcome to book an appointment with her through the school office. She can help:

- Support children referred by parents/caregivers or schools
- Assess, advocate and refer to hospital, outpatients, specialists or education services
- Link children and families with community and social services
- Support access to health care
- Focus on high need areas to advise and support schools
- Respond to pandemics and public health emergencies

Dates to Remember:

Monday 31st March	-	Swimming lessons
Tuesday 1st April	-	April Fools Day
Friday 11th April	-	Last day of Term 1
Friday 23rd May	-	Term 2: Staff Only Day
