### School Bus Notices

Due to the increasing numbers of students travelling by bus on the Arapata run and the limited numbers of seats with seatbelts available, we will no longer be able to transport students who do not travel on this route on a regular basis.

Also, the school needs to be informed if students are to be picked up, particularly if it is by someone unknown to staff.

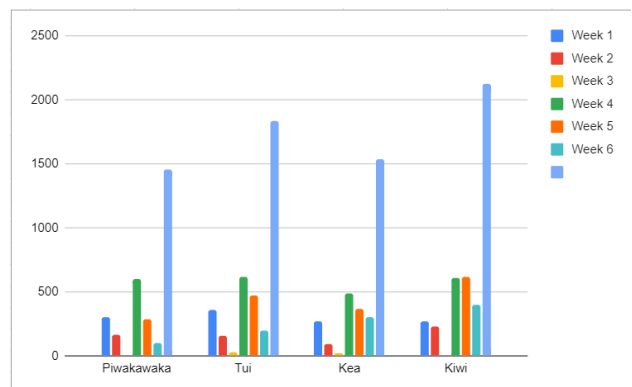

We had a fantastic day on Friday with our 'Jump Jam for Star Jam'. The Student Council cooked juicy burgers which went down a treat! Several boys walked away with fresh haircuts and we raised a total of \$288.10 for Star Jam! Fantastic effort, thank you for supporting this!

As we learn about our school and community history we are thinking about how this whakatauki relates to our learning. We discussed the whakatauki in our house groups and then shared our thoughts. Here are some examples....

- Respecting our environment
- We welcome everyone in to our school
- We respect everyone in our community
- We work together to succeed
- Our community comes together
- We need to back each other up and support each other
- Make sure everyone is included
- Our community is strong when we need support
- We are all heading in the same direction
- Welcoming people in to our school and community
- Good community gatherings and supportive families
- Everyone in our community has an important part to play
