Dear Parents

Kia ora koutou. The kids did themselves proud at the Agriculture Day – both on the fields and in the hall. Well done to everyone who participated to make it such a great day - in particular, a huge thank you to those who helped out – on the speaker, selling goods to raise funds for *Project* Play, on the field, in the hall and in the judging rings.

After events – big and small – we review how it went to see what we need to improve on. Any suggestions or comments are welcome.

The next big event for the school is the **Retro Summer Bash.** We really encourage you to get a group of friends and support this event – all funds go to *Project Play* – a much needed upgrade to our play ground.

Enjoy the long weekend coming up.

Ngaire Harris, *Principal*

Touch teams.
Students are coming home today with tomorrow's draw. Please note that one team has two games.

Cricket
Cricket is happening each Thursday, starting this week 3pm to 4pm on the school grounds. A great way to learn some cricketing skills. Thanks to Clare and Simon Ward for enabling this opportunity.

Swimming lessons
If you missed out on signing your child up for swimming lessons. please email Kerry (office@kaihere.school.nz). Lessons start after Labour weekend.

Can you help?
On Saturday 31st October, 10am – 1pm, the Ngatea Lions and HPC Student Army are holding a working bee to help with clearing weeds from our bush area. It would be great if some parents and senior
students could come along – either to help with clearing privet from the bush area or with serving refreshments to volunteers. Text Ngaire on 021756411 if you are able to help. Many thanks.

Coming up:

Mon 26 Oct	Labour day – no school
Tues 27 Oct	Board meeting 5:30pm
Sat 31st Oct	Bush clearing day 10am – 1pm
Sat 7th Nov	Kaihere Collective Retro Bash.
	Voting booth open at Kaihere School.
