KAIHERE SCHOOL
Good People, Working Hard

Tuesday 27th October 2026

Dear Parents

Hope everyone enjoyed the long weekend.

This coming weekend (Saturday 31 Oct), volunteers from the Lions Club in Ngatea are coming out to clear the school bush of privet.

We are also needing a small number of parents to help this effort. The working bee will go from 10am to 1pm and will involve cutting and pasting privet. This will be followed by lunch for volunteers. Please bring gloves and hand saws.

If you are able to help, please text me on 021756411 so we can plan for catering. Many thanks.

Sunhats

With the summer sun arriving, all children need to wear sunhats when outside. These are available from the school for $10.

Swimming at school

Classes will begin swimming at school from this week for the Flax mill Class. Because of the numbers in the class, this will be on a rotation basis. The Woolshed is currently focusing on athletics and will start their swimming in a couple of weeks time.

Athletics

Starts Monday 2 November 6pm – 7pm. Thanks to Sam and Sarah for marking the athletic track.

Swimming lessons

Swimming lessons are held Monday and Wednesday afternoons starting 2nd November. We will text parents who have booked in with day and time for lessons.

Congratulations to students who were recognised in Friday's assembly for classroom work:

Levi, Wills Hogan, Austin, Connor, Billie and Yorke.

Cricket

Good to see a number of students making the most of a chance to play cricket after school each Thursday 3pm – 4pm.

English lessons for Adults

From this Wednesday (28th October) 7 – 8pm, English lessons will be held at school for adults who are wanting to pass their English exam for NZ residency. All welcome.
