Term 3, Week 7

Curious, Confident and Connected

Principal Message

What a fantastic week we've had at school! The students have been full of energy and enthusiasm, and it's been a joy to see. However, we've noticed that a lot of sickness is going around lately. If your child is feeling under the weather, please keep them home to help stop the spread and keep everyone healthy.

A huge thank you to Kieran Oliver Contracting for their incredibly generous $5,000 donation to our school. This contribution will have a significant impact, and we can't thank you enough for your support. We also want to give a big shoutout to our amazing WSCA group for the fabulous shindig they put on at the hall last weekend. Fundraiser events like these are so important for supporting our school, to date they have raised $8000 (still calculating totals) this is amazing! To everyone who attended, thank you for your support!

A big shoutout to our amazing teachers as well—they put so much heart and effort into everything they do for our school, and it doesn't go unnoticed.

Looking ahead, we're excited about the upcoming Ngaumu ski trip next week! A huge thank you to Mel Johns and all the dedicated parents who have worked behind the scenes to make this trip possible. Your support is truly appreciated.

We're also gearing up for the House Olympics on September 20th! The students will be wearing their house colours for the day to show their team spirit. Please check HERO for more information about this exciting event and to get any updates.

Just a quick reminder to check HERO for any updates or reminders about what's happening at school. Be sure to check the "Upcoming Dates" section in the newsletter and mark those dates in your calendars so you don't miss anything!

Have a great weekend everyone 🙂

A Sad Song
By Jack Graham in Ngaumu

Claws clenching sand from the shore
Living on the shore with my friend
Life is happy as I eat an apple core
But everything has to end

We have been warned in advance
Now we must run
We no longer have time to prance
The time has come

~~The poison tide is getting closer~~
Our shells that have. once saved us
~~The path of the poison tide becomes cleaner~~
Our shells are now caved in.
