Term 3, Week 9

Curious, Confident and Connected

Principal Message

Wow, what a busy yet rewarding week we have had! We were thrilled to accept a generous $30,000 donation from our community nursery, which will greatly benefit our school programs. The children are currently gearing up for the House Olympics—be sure to check our Facebook later this afternoon for some photos!

Our students are also hard at work preparing for the upcoming "Cinderfella" production next term. It's shaping up to be a fantastic show!

This Thursday, we celebrated Kylie Carlsen as she wraps up her bus driving duties with us. Kylie has been an integral part of our school community for many years, and many children have fond memories of her. Beyond her driving, she has always gone above and beyond, helping out in classrooms and fixing anything that needs attention. Thank you, Kylie, for everything you've done!

As this is the last newsletter of the term, please make sure you have all the important calendar dates noted so you don't miss out on any upcoming events. Next term will be packed with exciting activities, including Pets Day, Athletics, Production, Year 8 EOTC, and Prize Giving, among others. And don't forget to continue looking out for our updates on Facebook!

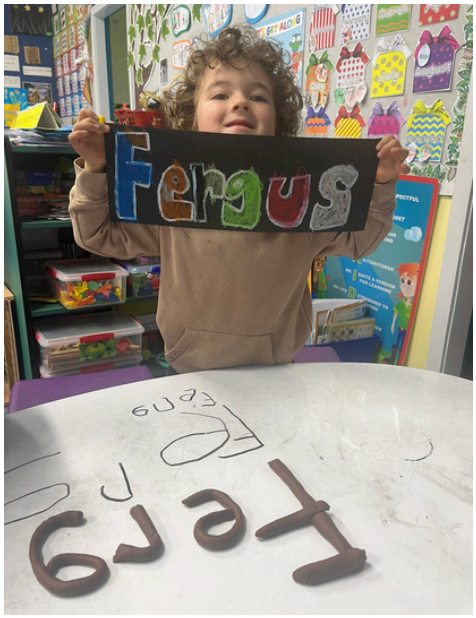

I want to extend my sincere thanks to our dedicated team of teachers and our supportive community. We are very lucky to have such a great support system here at Wainuioru School. Have a wonderful weekend!

Acting Principal
