WAVERLEY PRIMARY SCHOOL

Inspiring today's learners to thrive in tomorrow's world

Greetings from Rotorua everyone,

The Year 7& 8 Students are having a magnificent time on camp, in spite of the inclement weather over the last couple of days. Our students are definitely showing their versatility with the adjustments to the programme due to the conditions. The students will be slightly later than the indicated time but should still be back at school before 3 pm tomorrow. We have very little internet or cell service at camp but we have managed to get a reel of camp photos up on the school Facebook account, so check out the pics there.

Next week is the final week of school for the 2025 school year. Please remember that we are having our Prizegiving on Friday 12th. The children will need to go straight to the Community Centre for a 10am start to the programme. Children will need to wear their school uniform please (no jerseys).

We are finalizing the appointment process of the new Deputy Principal next week. The classes and classroom teacher placements for 2026 will be out shortly. We understand that this is a little later than we would have normally made the announcement, but we have a lot of last-minute appointments to sort. Sorry!

See you next week
