PUKEATUA PRESS 2024

Proud to be a Trees for Survival School

13th December 2024 - Week 9, T4 | Te Panui o te Kura #20

WEEK 9!!

Wahoo, we've just about made it to the end of Term 4..... 'phew'!

What a year it's been, full of highs, lows and incredible growth and achievement from all the students. Thank you to the entire Pukeatua School Whanau and wider Pukeatua community once again for your continued support in 2024. We appreciate all that you do to continue to make our school one of the nicest places to be at!

As we end the year there are a few 'housekeeping' items we need to update you with:

- Stationery for 2025 - we haven't heard back from any parents to say they prefer to purchase their child's stationery so, to that end, we will be ordering all stationery for classes to start 2025 and your accounts will be billed accordingly. Accounts will be sent out around the last day of term to be paid as soon as you are able to, but preferably prior to the start of Term 1 2025. As it stands the charges will be:
  - Mrs Gulliver - Room 1: $20 (reusing books from 24)
  - Miss Kirkham/Miss Heaslip - Room 2: $39
  - Miss O'Kane - Room 3: $20 (reusing books from 24)
  - Whaea Viki - Room 4: $35
- Fees due for 2025, where applicable these will be added to the invoice prior to sending out also.
- Pool Keys: This year keys are only available from the school office. There will be one late night prior to end of Term, on Monday 16th December - the office will be open until 6pm. After this time there will be one additional day on Friday 27th December from 2pm - 6pm where the office will be open for key purchases. If you cannot get into school before the end of term (17th December) or on either of these days please make contact directly with the Principal and we will see what we can do.
- Lunch orders: NO lunch orders on Tuesday 17th.

We wish everyone in our school whanau a very happy holiday!

IMPORTANT DATES FOR TERM 4, 2024

December:

13th: Fun day, Reports home

17th: 1.45pm finish, Bus WONT run

3rd Feb 2025: School begins

Just a further reminder in regards to the use of the pool over the holidays. There is a list of the rules up on the changing shed this year. Please read them and make sure you understand them. The pool is for everyone to enjoy - dangerous or reckless behaviour will not be tolerated. We also do not want to see ANYONE jumping from the roof of any of the buildings into the pool (like last year) or any other reckless behaviour that could result in injury or worse. As we are so far from any emergency services, any serious injuries may not be attended to in time.

Fun Day SPOTLIGHT

Today was our fun day - what a blast!

Our final fun day for the year was a huge success! From a dismal dark beginning of a day to wonderful sunshine. The kids had a ball at the obstacle courses, slip n slide, scavenger hunt and more. A huge thanks to the wonderful teachers for putting their thinking caps on one last time to put on an amazing day for the students. To top it off we had sausages donated by **Silver Fern Farms** for everybody to enjoy at lunchtime and calciyum drinks for the end of the day from **Fonterra**.

Switch to Water

Acidity of drinks

The pH scale measures the acidity or alkalinity of a solution. Pure water has the neutral pH of 7. Solutions with pH values lower than 7 are acidic and higher than 7 are alkaline.

The levels of acid, which can erode the surface of the teeth, is not published on the drinks by manufacturers. Acidity of drinks is a hidden danger.

Drinks with pH lower than 5.5 have a high erosive potential. This includes diet, sugar free and 'zero' options as well.

Message from the Principal

Kia ora koutou,

As the school year draws to a close, I want to take a moment to reflect on what an incredible year it has been for Pukeatua School. We've celebrated successes big and small, faced challenges with determination, and created lasting memories. None of this would have been possible without the collective efforts of our students, staff, and whānau.

To our students, you continue to amaze me with your curiosity, resilience, and the way you embody Pukeatua PRIDE in everything you do. Whether it's excelling in your studies, giving your best on the sports field, or helping out a classmate, you make this school a better place.

To our staff, thank you for the tireless dedication, creativity, and passion you bring to your work. You are the backbone of this school, and your efforts have made 2024 a truly successful year. To our parents, caregivers, and whānau, thank you for being our partners in education. Your support and involvement have been invaluable. A special thank you also goes to our Board of Trustees for your guidance and leadership.

As we enter the Christmas and New Year period, I hope everyone takes the chance to rest, relax, and recharge. This is a time to reflect on the year that has passed and prepare for the one ahead. For our tamariki, I encourage you to have fun and enjoy the holidays but also to take time to slow down and recharge. A well-rested mind is ready to tackle new challenges and learning in 2025!

With summer upon us, it's a great time to remind everyone about water safety. Whether you're spending time at the pool, river, lake, or ocean, please stay mindful and look out for one another. This week, we have been fortunate to have Swim Waipa come into the school to support our teachers with professional development around swimming instruction and survival swimming. Their expertise has helped ensure our students are equipped with essential water safety skills, which is so important given the many waterways and swimming spots in our community.

Looking ahead, the 2025 school year will begin on Monday, 3rd February, and I am already excited about what we will achieve together in the year to come. Until then, enjoy this special time with your families, have a wonderful holiday season, and I look forward to welcoming everyone back in the New Year.

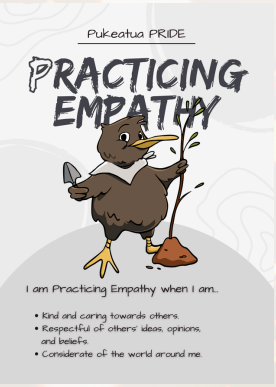

Ngā mihi nui,

Dene Franklin
