SENIOR WINTER SPORTS

While we were battling rain, wind and mist here at school, just down the road at Wharepapa South the seniors were taking part in their winter sports. The weather managed to hold off long enough to get through the day - here's a couple of action shots

KAWAKAWA BALM RUMA WHA

We have a small stock of kawakawa balm still available in the office – $10/jar

Lasts for a long time and is just the best for burns, bites, rashes, acne and cuts!

We have a new addition to the school office! We are now part of the 'Vistab' family of check in-check out schools.

This is a very easy system to use when visiting school. All visitors/caregivers must now sign in if they are on school grounds between the hours of 8.45am to 2.45pm. Students who are late to school or leaving early must also check in/check out using the vistab. If you do not wish to use this while on site, you must wait in the office and a staff member will go and get your child(ren).

Please note this is not new for schools - it has been a requirement for some time, we just haven't had a reliable system in place until now.

Sometimes, all it takes is choosing a date.

As part of the Canopy Club, you can **save $100 on any Family Package** for adventures during **August or September**.

Bring the people you've been meaning to spend more time with - your partner, parents, grown-up kids, siblings or friends.

And remember, the "kids" in your Family Package can be any age, as long as everyone meets the minimum age for the tour.

Use promo code

What tamariki need when emotions are big

Children learn to manage big feelings with us before they can do it on their own.
When a trusted adult stays steady, tries to understand and helps them settle, tamariki learn: "I can get through this, and I don't have to do it alone."

Here's your 4 go-to'swhen emotions are running high. Often called The 4 S's: The Four S's:

SAFE

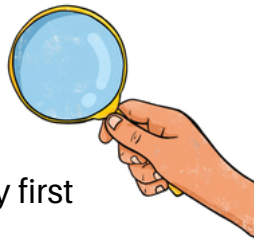

"Iamprotected and the adults around me are steady."

Children need to know the adults around them will protect them and remain steady, even while setting limits.

SEEN

"Myfeelings matter."

Look beneath the behaviour and let your child know you are trying to understand what is happening for them.

SOOTHED

"Idon'thave to face hard feelings alone."

Stay close and help them settle. Tamariki learn to calm themselves by first experiencing calm with someone they trust.

SECURE

"Ican count on someone to show up for me."

Over time, these repeated experiences teach tamariki: "When things are hard, I can count on someone to help me."

Over time, these 4 experiences help tamariki understand their feelings, ask for help, manage disappointments and reconnect after hard moments.

Based on Daniel J. Siegel and Tina Payne Bryson's Four S's.

Real Parents offers practical, evidence-informed support to help parents understand what's happening beneath behaviour and respond with confidence and connection.
