School Value Song

1. Here I am at school to-day
   and whom shall I seek to please?
   My respect for God's dear Word
   will make to-day a breeze.

2. Diligence will be my rule
   as I try to do my best;
   God wants my in-teg-ri-ty
   To pros-per and be blessed

3. Fellowship is what I'll show
   to all in my class to-day;
   God's kindness from me must shine
   in all I do and say.

4. Knowing this I must con-fess,
   that all that I do is sin;
   Lord I pray for Je-sus' sake,
   Oh, cleanse my heart within.

Chorus
Thou O Lord art my guide and light,
Oh may Thy law be my delight;
Help Thou me to fo-llow Thee
and wor-ship Thee aright.
