Kia ora e te Whaanau,

Miss Grey's Message

Last week, we practised our emergency procedures under the guidance of Harrison Tew® Ltd, who specialise in emergency management planning for schools and educational facilities.

The procedures we follow allow us to respond safely and quickly to a range of situations. We are pleased to inform you that the practice went very well, with our students responding safely and calmly. Moving forward, lockdown practices will become a regular part of our termly emergency procedures, balanced alongside our scheduled evacuations and earthquake drills.

Should you ever become aware of an actual lockdown or evacuation at the school, we ask that you do not attend the school or phone, as we will be unable to respond. Your presence or contact may make it more difficult for us or the emergency services to manage the situation. Any official information pertaining to an emergency occurring at the school will be updated through HERO and our Facebook Page as regularly as possible.

We believe that conducting these regular practices for lockdowns, evacuations, and earthquakes ensures that all staff and students remain well-prepared and confident in our safety procedures.

As usual we have lots going on this week - good luck to our students representing Waipipi School at Zone Day Cross Country - **Hope, Jairah, Ava Oliver, Zoe, Lewis, Harley, Felix, Owen, Olli, Ibrahim and Lochlan** an outstanding accomplishment to make it this far! Our Intermediate students are also looking after our environment this week with some volunteer tree planting. This service will be acknowledged in the student's Waipipi Diplomas - presented to Year 8's at the end of the year. Finally on Thursday we hope students remember to wear their PJ's for a comfy day of learning.

A big **well done** to our two Mathex teams who represented Waipipi School at the recent competition. While we didn't take home a placement this time, both teams displayed fantastic problem-solving skills, worked brilliantly as cooperative teams, and can be truly proud of their efforts and hard work! Thanks Miss K for training and supervising this event!

Finally, its great to see the number of students with animals for calf club this year - its looking to be an awesome event. Please check out the Calf Club poster below - any offers of help, big or small are always appreciated.

CALF CLUB

FRIDAY 25TH SEPTEMBER 2026

♥ Can You Help Us? ♥

Dear Waipipi School Families and Community,

This year, Friends of Waipipi are working hard to make our Calf Club raffles bigger and better than ever!

We are reaching out to our wonderful school families to see if **you own a business, work for a business, or have connections with a local business** that may be willing to donate an item, voucher, product, service, or prize for our Calf Club raffles.

Every donation, big or small, would be greatly appreciated and will help us create some **AMAZING** raffle prizes for our community.

ALL MONEY RAISED FROM OUR RAFFLES WILL GO TOWARDS THE MUCH-NEEDED UPGRADE OF THE **BOTTOM COURT AT WAIPIPI SCHOOL.**

Businesses that support us will be acknowledged through our
