COUNTDOWN TO CALF CLUB

Tuesday 22nd September: Chicken Diaries need to be handed into the school office.

Tickets for Calf Club Day Activities: We are trying something new this year with senior students supervising games and activities for younger tamariki. We hope to fundraise a little by selling tickets - \$2 per ticket for 10 activities. (We are only asking that you purchase 1 ticket). These can be purchased from the office from tomorrow.

Bake Sale: Every year we ask that each family provide some baking to sell on Calf Club Day. (Feel free to indicate the type of baking and any allergens that the baking may contain.) Baking can be brought to school on Calf Club Day (Friday morning) and taken to the Hall Kitchen. Please clearly label your container if you would like it returned.

Year 8 Cakes: This year our traditional Yr 8 Cake Competition will include a Silent Auction. There will be prizes for **Best Executed** cake, **Creative design** and the **Money Maker** cake! The cakes will be displayed in the library and judged at 9am. Instructions for the silent auction will also be in the library.

PROJECTS: There has been lots of debate as to whether the radishes will be radishes by **Wednesday 23rd September!** We encourage you to bring your radishes in regardless as there are still pots to judge and if we can't judge the radish we will judge the leafy sprouting and greenness! Pots should be delivered to the school hall on next Wednesday where they will receive a number and be put in their class groups. Harvesting and judging will happen throughout the day in class groups.

IMPORTANT CALF CLUB INFO CONTINUES - KEEP READING

THURSDAY 24th SEPTEMBER - Class Exhibits Day

Thursday is the day you need to send your tamariki to school with all their collected items for the classroom exhibits. Please refer back to the notice to ensure your child has everything they need. We do not expect parents to buy flowers, instead forage for flowers and keep the spirit of calf club alive!

ON THE DAY

We are really looking forward to seeing our whaanau and community friends at our 2026 Calf Club but a few

reminders to assist us in making this event successful for everyone:

College Students - we welcome our past students as we recognise the tradition of coming back on Calf Club Day and we enjoy seeing how you have grown. However if a college student is attending we expect them to be accompanied by a caregiver / adult.

Uniform - students who have animals may wear their farm clothes but students who don't have an animal are expected to wear school uniform

Students without animals should be at school by 8:30 as usual. The school buses will be running to their usual time. schedule.

If you are joining us for calf club and your child does not have an animal then you will find them outdoors with their class doing activities - you are welcome to take them with you to enjoy the day as a family (they can still participate in the games and activities under your supervision.).

Classrooms will be open from 10am. Food is available all day and we have an EFTPOS machine at the main office but please bring cash if you can.

Prizegiving is at 12pm and will include the raffle draw.

If you leave before 1pm we would appreciate it if you sign your child out at the office and collecting your child's exhibits before you leave.

There is still a lot on THIS week

Thanks for trialling our **Dollars for Schools lunch orders**. The pizzas were very popular and the ordering and delivery was a very simple process for the school!

If your child would like to have **Subway on Thursday 17th September** you can order now through dollarsforschools.co.nz.

(Next term we are trying sushi)
