NEW WINDSOR SCHOOL WALKING SCHOOL BUS ROUTE

Come and join our Walking School Bus or start your own. Along the way children learn road safety, socialise and share stories with friends and neighbours and arrive energised at school. Families in the community get to know each other. What a great way to travel to school. The W.SB. runs every Wednesday and Friday at 8.20am from the corner of Bollard and New Windsor roads. See below for route map and details on how to contact the coordinator.
