# Term 1, 2027 - Enrolments

Enrolment at the school is governed by an enrolment scheme, details of which are available from the school office or on the website.

The Board has determined that there will be places available for out of zone students in term 1, 2027.

The exact number of places will depend on the number of applications received from students who live within the school's home zone.

For students seeking **out of zone** enrolment in Term 1, 2027 the deadline for receipt of applications for out of zone places is 4.00pm on **Wednesday 14th October.**

Parents of students who live within the home zone and intend enrolling their child during Term 1, 2027 should notify the school by Friday 16th October to assist the school to plan appropriately for the next term.

Applications should be made by submitting a completed enrolment form online. Enrolment forms can be accessed from the Macleans Primary Website (www.macleansprimary.school.nz) and Macleans Primary Facebook page. Enrolment packages are also available at the school office.

If the number of out of zone applications exceeds the number of places available, students will be selected by ballot. If this is required, it will be held on Wednesday 21 October under supervision. Parents will be informed of the outcome of the ballot within three school days of the ballot being held.

**Deadline for receipt of applications:** **14th October**
**Date of ballot if required:** **21st October**
