CATHOLIC CHARACTER

Why we do the things we do?

Why do we bless ourselves with holy water?

From the earliest days of Christianity (and, even earlier, in Judaism and other ancient religions), water was used in baptismal rituals as a symbol of life and cleansing. Today, when Catholics sprinkle themselves from that little bowl of holy water at the church door and make the sign of the cross, they do so as a reminder of their baptism. The holy water itself is simply water that has been blessed by a priest.

CAMP

Our year 7 & 8 students are having a wonderful time at El Rancho in Waikanae. Adrenaline Forest in Porirua was Tuesdays activity. Yesterday they visited the museum and Capital E in Wellington. Today, camp activities.
