EBBETT PARK SCHOOL

EXCELLENCE, PRIDE & SPIRIT

Message from the Principal

Welcome to week 6. Hard to believe but on Wednesday this week we will be half way through the term! My how time flies when you are having fun!

This week is the 'Sea Week' and our tamariki are getting involved in a colouring in competition. The winners will be announced during next weeks assembly. Last week a notification regarding 'Sea Week' opportunities was share with the community via Skool Loop. One young lady took up this opportunity and had a ball making a Moana raft and taking a walk along marine parade and collected drift wood and shells also a few bits of plastic.

COOKIE FUNDRAISER: This has started and now runs until SUNDAY 23rd March. Please help us out by signing your child up to participate in this fundraiser. There is a QR code in the school office that you can use to sign up and to purchase.

IMMUNISATIONS: If you do not have your child's immunisation details at home or you can not find them we are able to help with this. If you contact the school office and give Ms Avie verbal permission we can ask our school Public Health Nurse to access the National Health Records and retrieve them for you.

BRING THINGS FROM HOME TO SCHOOL: With the reappearance of Pokémon cards it is a timely remind that if your child brings anything from home to school is done at their own risk. Please have a discussion with your child/children that if they do not want to have their 'special items' to go missing then it is best to leave them at home. While we do everything possible to ensure everything is safe at school we can not be responsible for the 'swopping' and 'sharing' that happens, especially with the likes of Pokémon cards and other collections.

Kate Medicott.
