

# Principal Message

Last week we took part in 'ShakeOut 2023', the nation wide earthquake drill. All tamariki and staff followed the DROP, COVER, HOLD procedure extremely well and then safely met on the courts for a short debrief. While we hope we do not have to follow this procedure often it is always good to practice and prepare.

The school van has been sign written with all our school details and it is looking sharp.

**BUILDING UPDATE:** it is with great excitement that I can confirm our new playground is due to be started on Monday 30th October. This is going to provide us with a playground that our senior tamariki can access, something we have missed for nearly two years. Once the playground is completed the 'temporary road around the field will be removed and our space will be returned to us. The only work that will continue throughout this term is the exterior painting of the buildings. The painters will work to ensure there is as little disruption as possible. Take a look at the design that is being built.

**Vision**

Empowering akonga to be culturally inclusive and engaged community members of the future. Striving to excel, standing with pride and connecting with spirit.

**Mission**

Ebbett Park School will challenge students to excel and provide them With all they require to be lifelong learners.

# What has been Happening Library BOOK DONATION

We were very lucky to have a number of books donated to our school library from the **East Coast Rural Support Trust (ECRST)**. The funding is an initiative, courtesy of the Ministry of Education and Wardini Books, to provide informative books about resilience to selected schools.

A second part of the initiative is ECRST working with HB Foundation and Royston Health Trust to coordinate and fund some extra support to help our tamariki with psychosocial support. Further information regarding this will be available soon.

We thank both the East Coast Rural Support Trust and the Ministry of Education for the support with these resources for our school library.

# GOOD IN THE HOOD - Z Petrol Heretaunga Street

A massive THANK YOU to the team at Heretaunga Street Z Petrol station and to all the community members that supported Ebbett Park School over the month that 'Good in the Hood' was running. As yet we do not know exactly how much funding we receive and every bit counts. We are looking forward to using this extra funding to environmental improvements and planting around the school.

## Swimming Lessons - Years 3, 4, 5 and 6 continue

Please ensure that students come to school with every thing they require for these lessons.

- A suitable bag for togs and towel. This will stop everything else in their school bag from getting wet.
- Girls must have suitable togs – they cannot wear a t-shirt and shorts.
- Googles – these are a good idea.
- Swimming cap – not compulsory but a good idea.
- Students with long hair must have it tied back. This is a general school expectation as well.
- Asthma pumps.
