RANGITOTO STAR

PRINCIPAL'S MESSAGE

Empowering learners to be **CONFIDENT, CARING, CURIOUS & CREATIVE**

Week 4 Term 4 2023

Dear Parents and Caregivers,

It's been an eventful week of learning here at Rangitoto School, and I'm delighted to bring you the latest updates.

On Tuesday, both our staff and students embraced the spirit of Halloween by getting into creative and festive costumes. The afternoon was filled with laughter and camaraderie as everyone participated in a series of entertaining team games. From classic favourites like musical chairs to more unique challenges such as "pin the spider on the web," "eyeball" (involving ping pong balls), and the ever-thrilling spoon race, our students displayed remarkable enthusiasm and sportsmanship. The resounding cheers and support for one another were truly heartwarming. The event featured an array of delightful treats, including "blood" (red jelly), "slime" (green jelly), "eyeballs" (lollies), and "snakes" (lollies). Personally, I found great joy in witnessing the children's creativity as they paraded their costumes and painted their faces.

Next week, we have the pleasure of welcoming the Whitehead family to our school community. Rachel and Wayne have relocated to Te Kuiti to be closer to their work at Graymont. Pharrah, a Year 6 student, will join our senior class, while Aryelle (Year 4), Harleigh (Year 2), and Hunter (Year 0) will become part of the Junior room. Their educational journey at Rangitoto School begins on Monday, and I encourage all of you to extend a warm welcome and introduce yourselves, embracing them into our school community in true Rangitoto style.

Mark your calendars for Wednesday, when our students will showcase their athletic prowess during our school athletics competition, starting at 10 am and concluding after lunch with the thrilling sprint races. They will put their skills to the test in running, jumping, and throwing, honed through our whole-school athletics programme. Please ensure your child comes to school appropriately dressed and ready for a day of active participation. Don't forget to pack a substantial lunch and a water bottle to keep their energy levels high throughout the events.

I'd like to take a moment to express our appreciation for the outstanding work of our student teacher, Isla Cameron, who has spent six weeks teaching our Junior students. In recent weeks, under the guidance of Stacey Reynolds, Isla has assumed full control of the class and prepared and delivered engaging lessons. She has integrated seamlessly with our staff, and we extend our best wishes to Isla as she completes her teaching practicum at Rangitoto School. Her last day with us will be next Friday, the 10th of November.

On Monday, the 13th of November, our students will have a unique opportunity to participate in the Maniapoto Mau Raakau workshops at Mangapeehi Marae, led by Tainui and Corey Stephens. The day will commence with a traditional powhiri to welcome us onto the marae, followed by the hands-on mau raakau workshops. We'll need parental assistance for transportation, and a notice with more information will be sent out early next week.

Lastly, I would like to bring to your attention a valuable resource provided by the Ministry of Education. They have created the Zero Data portal, accessible via this link: <https://portal.zero.govt.nz>. This portal enables free access to school and kura websites on mobile devices, ensuring that data charges do not apply. As part of the Zero Data initiative, over 2,000 kura and school websites have been added to this portal.

I trust you'll have a wonderful weekend, and please feel free to reach out if you have any questions or require further information.

Kind Regards,
Pip Were
Principal, Rangitoto School
