LETTER TO THE COMMUNITY

16 September 2024

Assalamu Alaikum wa Rahmatullahi wa Barakatuhu
Dear parents, caregivers, students and community

I am saddened to read an article in the Herald yesterday regarding our school. This negative messaging is unfair and, in my opinion, unnecessary. We have a great school, with committed and hard-working staff who are providing a good education for our girls.

Last Friday's Market Day, showcased the excellent work being done by both staff and students. As I have said before, it is business as usual here at Zayed College.

The article outlines an issue between the proprietors. The ongoing matters in that regard do not impact the running of the school. We continue to be well supported by the receivers and as stated in the article, the receivership is **not** due to financial problems.

Here at school, the teachers are working towards end of year exams and assessments. There is significant effort going into preparing the girls for their necessary study to ensure they reach their potential.

Have a happy day.

Kind regards,

Linley Myers, Commissioner.

HEALTH AND SAFETY COURSE FOR SENIORS

Kelly from the Learning Place ran a highly successful Health and Safety course with 22 of our seniors for two days.

Students completed a theory and practical component of the course. Students showed a high degree of creativity, problem solving skills and worked collaboratively in teams.

We have to mention that we had 100 per cent attendance on both days, Ma shaa Allah girls. And thank you for the fantastic job you did with cleaning up your library.

We encourage all students to respect the space and also to leave it in a clean state at all times. Thank you to everyone who contributed in any manner. It is much appreciated.

~ Ust Nazmeen

I really like the outcome, I'm truly happy to see the library tidy and clean. A big thanks to the students for their hard work, creativity, and teamwork during the Health and Safety course. Your efforts are much appreciated. Thanks again to everyone who contributed to this success.

~ Ust Aomaema and Staff

TERM 3 DATES

Number of weeks: 10

Term start and end dates: Monday 22 July to Friday 27 September (100 half days)

Public holidays: None

School holidays: Saturday 28 September to Sunday 13 October

NOOR KIDS

Too often, kids are forced to pray. What if we could inspire them instead?

I'd like your family to join [Secrets of Salah](#), a 5-week online program for 9-14 year olds that will change your family's relationship with prayer forever.

As a child, I learned how to pray but I never enjoyed praying until I was much older.

When I was 23 years old, I learned that my mother was seriously ill. It wasn't until that moment that I immersed myself into prayer... realizing that it was the most powerful weapon I had at my disposal.

For the first time in my life, I began to **taste the sweetness of prayer**. It was a gift. Through prayer, I built a strong relationship with my Creator. It provided me with the foundation to take on the world.

I suspect you know the feeling I am talking about.

Once per year, I teach a private course: [The Secrets of Salah](#), a 5-week life-changing experience that inspires 9-14 year olds to develop a lifelong love for prayer.

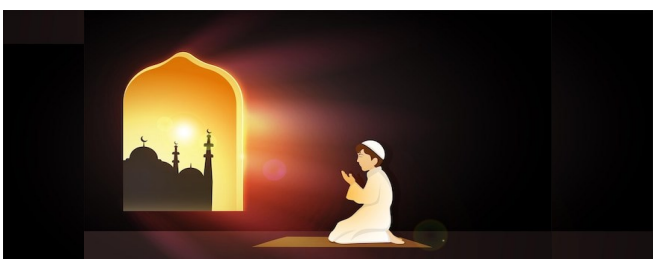

I teach the course alongside guest speakers such as Ustadha Yasmin Mogahed, Imam Wisam Sharieff, Dr. Mustafa Khattab and others.

Please note - this program is for **9-14 years old** and the final day to register is **Friday, October 11th**.

Insa'Allah, I look forward to serve your family soon.

Your brother in faith,
Amin

STUDENT SELECTED FOR COUNTIES MANUKAU LEADERSHIP COUNCIL

Congratulations to **Hafsa Razmin, Year 11** who has been selected to be a Counties Manukau Rangatahi Leadership Council Member for CLM Community Sport. Ma Shaa Allah!

"Being selected for the Counties Manukau Rangatahi Leadership Council for CLM Community Sport comes with a profound sense of responsibility.

The opportunity to contribute to shaping the future of Rangatahi, working alongside talented and driven individuals from different schools and addressing our community's needs and aspirations, fills me with pride and a genuine eagerness to make a positive impact. I'm deeply committed to serving with integrity and enthusiasm.

It's a privilege to be entrusted with this role, and I'm ready to embrace the challenges and opportunities that lie ahead".

~ Hafsa Razmin, Year 11

Assalamu Alaikum & Tēnā koutou katoa Whānau & Extended Community,

Market Day was a wonderful experience for all of our students because of your support and engagement.

Thank you all for taking the time to support your daughters in their Social Studies Business Enterprise Projects. We had 49 student stalls registered, this is the biggest Market Day we have had at Zayed College with the biggest community engagement we have ever had, Ma Shaa Allah!

Today all students have begun calculating their Profit Margins as well as donating 10% of their Profits to Charity.

The charity that we are supporting as a Junior School is ['Sabeel Al Janah'](#) who has a person on the ground living in Gaza.

The money sent from ['Sabeel Al Janah'](#) supports the community in Gaza by this trusted person. At the moment he provides basic supplies such as shelter, food, clothing and financial support. Providing financial means for ground support in Gaza allows us to know that the money is going directly to help and support the Palestinian community living there.

Once again, we appreciate the support you have all given the school through your encouragement and engagement in our projects and the event.

Ngā mihi nui,
Koriana Good and The Social Studies Team
