

To ensure our students are able to take their place in the world, they will be Resilient, Resourceful, Respectful and Responsible

Friday 21th June 2024: Term 2 Week 8

Afternoon Whanau!

Brisk starts and enjoyable days seem to be on order in our little corner of the world....
Please remember to keep an eye on what the children dress themselves in and layer them up.

Parent-teacher interviews are being held **THIS Monday 24th** and Tuesday 25th of June between 3pm – 5pm. Please go on Skool loop and book your time. If the app won't let you please send your no1 time and a second option into Brendan in the office. Buses will run as normal. It is very important to have someone from your family come and engage with us prior to reports going home.

Cookies and Pie order forms need to be returned on Thursday the 27th of June. Please get them to Brendan in the office from Monday onwards.
Collection day for the Pies is 26th of July.

Ms Marshall is (still) looking for an apiarist (keeper of bees) to come talk to the senior class. To show what equipment is required/used and answer a few questions. To share your enthusiasm and knowledge of an extremely interesting subject with sponge like minds. We would be extremely grateful if we could get anyone, the class is small so it won't be a scary experience. We have 1 week left, please contact Brendan in the office on 2395 763.

Keep up the good work/mahi

Kia ora koutou

Winter has well and truly set in now, so we hope everyone is managing to avoid the worst of the usual bugs and ills that the cold season brings. We always appreciate your efforts supporting good oral health for our tamariki.

Sugar In Disguise

Learn to be a Sugar Sleuth!

Did you know sugar comes in many forms with different names? Be a sugar sleuth and see how many of these you can find on food and drink packets. Having sugary foods and drinks often, can weaken our tooth enamel and, overtime, lead to holes in our teeth.
