### Week 2:

As the weather improves, allowing us to begin our school athletics training, a huge thank you to Harrison Contracting Ltd for topping up our school long jump pit with sand.

Classrooms have indeed been wonderfully busy with preparations for Pet Day/Exhibition Day next Friday, 1st November. We look forward to seeing you all there. Our children are certainly excited to show and share their work with their whanau.

### Aim High:

Selwyn Park School's motto is of course **Aim High** in all you do. It was great to see an article in our local newspaper about Naytcha Flavell who has just represented NZS Maori in rugby at the Pacifica Youth Cup 2024. Also reading of her outstanding success knowing that the journey started here at Selwyn Park. She has also just signed a contract with Cronulla Sharks. Congratulation Naytcha. Keep up the great work.

### Hikoi:

I had only half of the 16 students represented at this weeks meeting. Without your support events like the Hikoi can simply not happen. Please make the effort to support these and your tamariki and school. Just call me and let me know if you are unable to make it. It's that easy.

### 2025:

Meetings this week have been to see how we can better support our children's wellbeing here at school. We are working on a few things which will enhance and help our school, it's amazing children, whanau and our schools community.
