

# Selwyn Park School

End of Term 2

Week 9 Newsletter 27 June

## From the Principal's desk

Tena Koutou Katoa, Malo e lelei

The last two weeks have blasted past

### Matariki

Such a special time of the end of term to celebrate and remember loved ones. Our Senior and Junior performances at last week's Matariki celebrations were outstanding. There is footage of our Senior group on our school Facebook page.

### Whanau Night

It's always a pleasure to have an important and valuable way for students, families and staff to connect in a relaxed, welcoming environment. Building a sense of belonging, and community within our school. I see our whanau nights as a platform to celebrate the diverse cultures, talents & successes of our students. Blessed to see so many supporting our school & our students.

## **Removing students from class early**

Parents & caregivers, just a reminder to go the office first before taking your children. You must inform the office first. Fill out the "Signing child out" book. Thanks

## **Term 2 has been busy**

We look forward to everyone having a recharge. Teachers will once again be busy planning new & exciting events & learning for term 3. Have a happy & safe Term 2 holiday break. BIG THANK TO OUR team at SPS for their hard work.

## **Talking of big thank you's**

Sadly we farewell a couple of our staff. Matua Dev TA from Rm 7 takes on an new exciting role. We wish him all the best. Our Senior Kapa Haka Roopu gave him a beautiful SPS farewell.

Mr Murray Yakas is set to retire. Murray has been a valuable part of the SPS team over the last 7-8years. As caretakers go, he has been "top notch" He hasn't quite disappeared into the sunset yet. He will guide the new caretaker when an appointment is made.

On behalf of our school board & staff & students we send our condolences to Mr Richard Truter

## **Sport was a winner**

Those Crusader's were too good

A B team named

Queensland win game 2 to force a decider

ANZ Netball has been an interesting season

Warriors will need to play well this weekend against the Bronco's

Ryan Fox has had a masterful month on the US PGA golf circuit

## **Tight lines**

**Todd Warmington**
