Senior Leaders

Yesterday our Senior Leaders/School Councillors, spent the day with Sport Northland's Leesa House and Ms McLeod. This was a leadership day. The purpose of this day, I guess you could sum it up as professional development for students. A great opportunity.

The Sport Northland Water programme concluded today after 3 Friday's promoting water safety and education. The water survival life skills & knowledge taught help prepare our kids to survive and thrive at the pool & beach, river or lakes. Such important skills and knowledge for our tamariki, as most spend time during summer holidays around our water ways beaches, & lakes.

Our winter sports season is not far away. Reminder, if your son or daughter hasn't registered then there is still time. Contact us here at school.

Note
