### Week 5 Update

Our school Show Day last Friday was well supported, with 4 beautiful calves and a lamb. Also thank you to Leona and Sarah P for their work. Classrooms truly showcased the outstanding efforts of our children. It never ceases to amaze me just how creative some of our children are, supported by great teachers. Selwyn Park School is blessed. Stalls run by the students giving them a hands on approach to marketing, selling and communicating with others. A massive Thank You to my extended team for their effort.

### Central Calf Club Day

Lucca, Lola with their calves and Leah with her lamb all attended doing well.

### Baylys Beach Surf Lifesaving Beach Day

Thursday saw our senior classes all venturing out to Baylys Beach to work with Dargaville Surf Life Saving team. I cannot state how vitally important it is to have our children educated around Beach/ water safely. What a fantastic day and a valuable learning opportunity for our tamariki. To top it off we had amazing weather and sea conditions. Thank you teachers, Teacher Aides, Parents and Grandparents for your help. And a final thank you to Dargaville Surf Life Saving for making it a great day.
