Term 3, Week 7, Friday 1 September 2023

Important Dates to Remember

06.09.2023 - Science in a van

07.09.2023 - Pet Day

22.09.2023 - Last day term 3

Kia Ora e te whānau,

Daffodil Day

Thank You to all those who supported our daffodil day last Friday. It was great to see all the students dressed in yellow. We raised \$233.00 which we will send to the cancer foundation.

Cross Country

Well done to all our students who competed at the Far North cross country competition. From this competition the following students placed in the top eight and qualified for the Whangarei competition: Charlie Lane, Astra Gruebner, Levi Gruebner, Cooper Walden, Anik Benitz, Indy Van Iperen, Jahn Foster, Brock Muller and Cooper Nichols. Olivia Divitt also competed in this competition which was held yesterday, well done to Astra Gruebner who won the 8 year old girls race and to Levi Gruebner who placed 4th in the 11 year old boys race. Super effort by all those who competed, this is a top level competition.

Pet Day

Our pet day is fast approaching. If you haven't already registered your pet please do so as soon as possible so that we can organise the programme for the day. A reminder that all dogs **MUST** be muzzled and on a lead. Remember the library competition for Pet Day. Send a photo of you reading to your pet, all entries go in the draw to win a book.

Friends of the School

The Friends of the School is Oruaiti school's PTA (Parent teacher Association) group. The group helps promote and support the well being of Oruaiti School, along with fundraising.

We stick with one major fundraising event each year, which is our Oruaiti School ambrose golf day in November. This popular event has been successfully running for over 20 years. This years golf day is Friday November 10th. This fun day is supported by a lot of wonderful sponsors, businesses and individuals in our community. FOTS along with the support of our teachers and parents organise and run this day.

The funds raised benefit all students at Oruaiti School. Last years funds went towards the new sandpit area, play equipment, camp and bus trips to name a few.

This group would love to have your support and would like to invite you to afternoon tea in the Oruaiti School staffroom on Tuesday 12th September at 3.00pm. We look forward to seeing some new and old faces.

Disco

The disco we held two weeks ago was lots of fun. Students put a lot of effort into their costumes. Juniors best dressed were Lincoln Rose and Dearne Marinkovich Seniors best dressed were Xavier Garton and Ruby Rose.

Netball

Our school netball teams will have their last games this weekend. Well done to all our students who have played in these teams this season. A HUGE thank you to the coaches, managers and other whanau who have helped support our teams over the season. Without your support our students would not have the opportunity to be part of this.

Puriri Science Writing

Today I was so excited because we made sherbet. First we put in the citric acid. Then we put in the baking soda. After we put in all the ingredients then we shook the bag. Then we got straws and we ate the sherbert. When we are the sherbet the acid met the saliva and made a chemical reaction in our mouth. It was so sour and sweet. It was fizzing in my mouth.

By Sofia

Today we did and experiment. We made magic milk. We made it with detergent. and food colouring. We squirted food colouring in the milk it spreaded and it was so cool. It looked like a rainbow and swirly. It made a chemical reaction. I loved it and how we can do it again. It was so fun and amazing.

By Ember

Woah! we were so surprised when we made magic milk. It was 4 different colours. I put all of the colours in, it looked like a rock. It was the best day.

By Rafael

I was excited to make sherbet we we went to Kahikatea. First Whaea Meg gave us a paper bag. Second we got our equipment out. I forgot to mention Ivy was my partner. After that, we put citric acid in and baking soda. Then we tasted it! It was popping, sour, tangy, sweet. I want to make it again.

At Libelle, we strive to accommodate various dietary preferences, including gluten-friendly, dairy-friendly, and other specific requirements. We also source and utilise halal-certified ingredients for our meals. While we make efforts to cater to these needs, we cannot guarantee that our meals will be completely free from ingredients such as gluten, dairy, or other allergens, and production and service of our meals take place in a non-halal environment. While we take precautions to minimize cross-contamination, please be aware that our production and service environment may not be entirely allergen-friendly, nor can we guarantee a completely halal dining experience. We recommend individuals with dietary or halal requirements exercise personal discretion and assess their comfort levels before consuming our meals.
